Small Town Cozy Murder Mystery Series with a Female Detective and Dogs A cozy murder mystery series third installment to die for I skipped around a small stack of pylons while my deputy cousin unloaded more of the same from the back of the sheriff s pickup I beamed at Robert Carlisle not because I adored him Quite the opposite I couldn t stand the wretched little piece of loathing with his seventies esque bush of a black mustache or his pompous superiority that he got to be a cop and I didn t or his growing beer belly and hideous leer he liked to aim at any woman under the age of fifty No I grinned and waved out of sheer delight at his less than enthusiastic expression as he grunted his way through hefting a rather heavy looking barricade onto the sidewalk Exercise is good for you I said as I kept going without offering to help Your ass could use some lately Fanny he shot after me He did not just call me fat and Fanny in the same sentence Fiona Fleming has no intention of getting involved when Mayor Olivia Walker hosts a parade for the celebrity couple whose fame she s been using to promote their town But when the local ski lodge can t accommodate and Willow Pink and Skip Anderson end up staying at Petunia s Fee and her faithful pug are not only front row center to a murder she s trapped in her own bed and breakfast with the suspects when the frenzied media descends on Reading looking for the story of a lifetime KEYWORDS cozy murder mystery series cozy murder mystery cozy murder mystery books cozy murder cozy murder mysteries animal cozy mystery animal cozy
