We always noticed when Instagram stories came up there was a trend for shorter more digestible content. Yet TikTok proves that users can return for more when you get the form of content right. According to official figures from TikTok its customers remain faithful and are starting to return to the app. In fact 90% of users use the app several times a day. Overall TikTok is asking us to reconsider the way our content is strategized. I do hope these tips give you some ideas on how to handle TikTok and the way you prepare and create your content in general.
