Cara never imagined that her new boss the irresistibly handsome billionaire Ethan Lane would proposition her to become his fake girlfriend and surrogate. The offer was too tempting to refuse but the thought of carrying his child and pretending to be in love with him was overwhelming. As she returned to her apartment anxiety and uncertainty consumed her. She questioned her decision wishing she hadn't accepted. The next day Cara arrived at Ethan's office early still shaken from the previous day's conversation. Determined to focus on work she composed herself as best she could. Ethan was already at his desk engrossed in his computer. He looked up as she entered. Good morning Cara, he greeted warmly. Good morning Mr. Lane, she replied striving for professionalism. Please call me Ethan, he said with a smile. We'll be spending a lot of time together; first names are better. Cara nodded feeling a spark at the sound of her name from his lips. Ethan stood and approached her, his gaze lingering on her lips. She felt a blush rise to her cheeks. I know this is a lot to take in, he said softly. But I promise it will be worth your while. Despite his bold proposal, Cara couldn't deny her attraction to Ethan. There was something about him that made her heart race and her palms sweat. She needed him. Now. The deal was simple but the emotions were anything but. How long can Cara pretend before their dangerous secret becomes a breathtaking reality?
