The Voices of Romance Ann Dobyns, 1989 This study focuses on techniques of romance characterization and through stylistic analysis compares speech characteristics of parallel characters in Thomas Malory's *Le Morte Darthur*, Philip Sidney's *New Arcadia* and Emily Brontë's *Wuthering Heights*

Reality and Idea in the Early American Novel David H. Hirsch, 2021-03-22 No detailed description available for Reality and Idea in the Early American Novel

The Idea of Europe in Literature Susanne Fendler, Ruth Wittlinger, 1999-09-11 The relevance of culture has recently enjoyed increasing recognition for the study of European integration and a European identity Appeals to a common European culture as well as appeals to different national cultures have been used respectively as a means to pursue political ends Paying tribute to literature's role as an important constituent part of a culture this collection of essays explores literary representations of Europe and its nation states and should be of particular value to anyone who is interested in cultural political or literary studies in the European context

The Romantic Idea of the Golden Age in Friedrich Schlegel's Philosophy of History Asko Nivala, 2017-02-03 The nineteenth century Romantic understanding of history is often confused with the longing for the past Golden Age In this book the Golden Age is seen from a new angle by discussing it in the context of the works of Friedrich Schlegel who saw it not as bygone but to be produced in the future

Neocolonialism L. Santhosh Kumar, Minu A., Barnashree Khasnobis, Preetha M., Merrin R. S., 2026-01-22 Neocolonialism in contemporary discourse has emerged as a compelling analytical lens to revisit and reassess power structures global hierarchies and cultural narratives in a postcolonial world This volume explores the intricate and often obscured mechanisms through which neocolonial influence operates economically politically culturally and intellectually redefining the contours of sovereignty and autonomy in the modern era Scholars across disciplines in the Humanities and Social Sciences have increasingly turned their attention to the praxis of identifying and critiquing the subtle continuities of colonial ideologies under the guise of development globalization and aid The interdisciplinary and multidisciplinary approaches employed in this volume challenge conventional perspectives and propose new interpretative frameworks for understanding neocolonial engagements in literature media policy and education

Gothic Transgressions Ellen Redling, Christian Schneider, 2015 The articles in this volume discuss specific ways in which the Gothic transgresses boundaries be they historical spatial national aesthetic generic modal medial or sexual Offering a wide range in every respect from Proto to Post Gothic from mythical to digital from national to Globalgothic from metropolitan to EcoGothic from traditional to Candygothic from novel to film and from Shakespeare to Steampunk this collection aims to enrich as well as extend the scholarly debate on the Gothic as a multi faceted mode of expression that goes beyond limits and much like a vampire constantly refreshes itself by feeding on the lifeblood of topical issues Series Culture Research and Science Kultur

Forschung und Wissenschaft Vol 19 Subject Popular Culture Literary Critic **William Morris and the Idea of Community** Anna Vaninskaya, 2010-10-12 The great polymath William Morris and his contemporaries and followers from H Rider Haggard to H G Wells are the focus of this study Anna Vaninskaya draws upon a wide array of primary sources from working class fiction and articles in fringe socialist newspapers to historical treatises autobiographies and diaries in order to explore the many ways Victorians and Edwardians talked about community and modernity Vaninskaya's narrative moves from the realm of romance bestsellers and sniggering reviews to debates in weighty historical tomes and then to the headquarters of revolutionary parties to street corners and shabby lecture halls She demonstrates how in each domain the dream of community clashed with the reality of the modern state and market The Idea of the PhD Frances Jennifer Kelly, 2016-12-19 The Idea of the PhD The doctorate in the twenty first century imagination analyses the PhD as it is articulated in diverse areas of contemporary discourse at a time in which the degree is undergoing growth change and scrutiny worldwide It considers not just institutional ideas of the PhD but those of the broader cultural and social domain as well as asking whether and to what extent the idea of the Doctor of Philosophy the highest achievable university award is being reimagined in the twenty first century In a world where the PhD is undergoing significant radical change and where inside universities doctoral enrolments are continually climbing as the demand for more graduates with high level research skills increases this book asks the following questions How do we understand how the PhD is currently imagined and conceptualised in the wider domain Where will we find ideas about the PhD from its purpose to the nature of research work undertaken and the kinds of pedagogies engaged to the researchers who undertake it and are shaped by it International in scope this is a text that explores the culturally inflected representation of the doctorate and its graduates in the imagination literature and media The Idea of the PhD contributes to the research literature in the field of doctoral education and higher education As such this will be a fascinating text for researchers postgraduates and academics interested in the idea of the university **Unraveling the Real** Cynthia Duncan, 2010-11-05 Exploring the fantastic in Spanish American literature as an expression of subversiveness that threatening to undermine the culture
