## **Alias Billy The Kid The Story Of Brushy Bill Roberts:**

Alias Billy the Kid C. L. Sonnichsen, William V. Morrison, Daniel A. Edwards, 2014-10-03 In 1949 a childhood friend of Billy the Kid claimed Billy was still living and led investigators to a man in Texas known as William H Brushy Bill Roberts After initially denying it Brushy finally agreed to confess his identity on the condition the investigator would help him obtain a pardon so he could die a free man Over the course of several months Mr Roberts provided many astounding proofs that he was the Kid of legend including physical evidence and firsthand knowledge of many obscure aspects of the Kid s life In addition the investigator assisted Roberts with finding living acquaintances of Billy the Kid who signed sworn affidavits stating Roberts was the man they knew Now after more than 50 years Brushy s original story is available for the first time ever in paperback

**Brushy Bill** Roy L. Haws, 2015-03-17 For many years a man known as Brushy Bill Roberts proclaimed to all who would listen that he was the historical and legendary Billy the Kid alive and well And there were various books written that claimed this to be true As a result many became convinced of the validity of Brushy s claim and Brushy s elaborate fable has continued to capture the imagination In this book the author has attempted to dispel the elaborate hoax once and for all Brushy Bill Roberts was not Billy the Kid He was in fact just an interesting elderly man known by his family and acquaintances as a colorful Old West storyteller

**Tall Tales and Half Truths of Billy the Kid** John LeMay, 2015-06-29 A great expos that humorously captures the many myths that Americans are willing to believe and that make up the tapestry of the Old West Former Representative Morgan Nelson While many respectable books on Billy the Kid aim to demystify his illusory life this one of a kind collection proudly has no such intention Find all of the untold and potentially true but very unlikely and highly embellished stories of the Kid s life death and enthralling life thereafter Be thrilled by sightings of Billy s ghost riding through old Fort Sumner and marvel at his search for the fabled Lost Adams Diggings Wonder at the mysterious thefts of his tombstone and discover the famed desperado s dozen or so doppelgangers who posthumously popped up all across the Southwest Courtesy of yarn spinning raconteurs of yore author John LeMay unveils the many forgotten and discarded tales of the legendary William H Bonney an everlasting emblem of the American West

**Charming Little Billy the Saga of Billy the Kid What Really Happened** Richard Pickens Cobb, 2004-12-28 The book titled Charming Little Billy The Saga of Billy the Kid What Really Happened is an interesting concept of the old story of the famous outlaw from New Mexico It goes beyond the grave into a new area of history The book titled Legends of Sam Bass The Denton Mare and Longhorn Caverns opens new doors to this famous Texas robber and the hidden treasure of his loots

*Billy the Kid* Daniel a Edwards, 2016-12-10 In 1947 a notorious Wild West outlaw revealed that that his friend Billy the Kid was not killed by Pat Garrett but was still alive Using persistence and research a young lawyer identified an old man in Texas who agreed to reveal himself as Billy the Kid if the lawyer would help him obtain a pardon so he could die a free man This is his story

**Billy the Kid on Film, 1911-2012** Johnny D. Boggs, 2013-09-06 A comprehensive filmography this book

is composed of lengthy entries on about 75 films depicting legendary New Mexico outlaw Billy the Kid from the lost Billy the Kid 1911 to the blockbuster Young Guns 1988 to the direct to video 1313 Billy the Kid 2012 and everything in between Each entry gives a synopsis cast and credits critical reception and a discussion of the events of the films compared to the historical record Among the entries are made for TV and direct to video films foreign movies and continuing television series in which Billy the Kid made an appearance

**Thunder in the West** Richard W. Etulain, 2020-07-09 Even before he was shot and killed in 1881 Billy the Kid's charisma and murderous career were generating stories that belied his brief life and that only multiplied growing to legendary proportions after his death at age twenty one In Thunder in the West Richard W Etulain takes the true measure of Billy the man and the legend and presents the clearest picture yet of his life and his ever shifting place and presence in the cultural landscape of the Old West Billy the Kid born Henry McCarty in 1859 and also known as William H Bonney emerges from these pages in all his complexity at once a gentleman and gregarious companion and a thief and violent murderer Tapping new depths of research Etulain traces Billy's short life from his mysterious origins in the East through his wanderings in New Mexico Arizona and Texas As we move from his peripatetic early years through the wild West to his fatal involvement in the Lincoln County Wars we see the impressionable boy give way to the conflicted young man and finally to the opportunistic and often amoral outlaw who was out for himself for revenge and for whatever he could steal along the way Against this deftly drawn portrait Etulain considers the stories and myths spawned by Billy's life and death Beginning with the dime novels featuring Billy the Kid even during his lifetime and ranging across the myriad newspaper accounts novels and movies that alternately celebrated his outlaw life and condemned his exploits Etulain offers a uniquely informed view of the changing interpretations that have shaped and reshaped the reputation of this enduring icon of the Old West In his portrayal Billy the Kid lives on not as a cut throat desperado or a young charmer but as both hero and villain myth and man fully realized in this twenty first century interpretation

**Billy the Kid** Richard W. Etulain, 2020-07-16 A central character in legends and histories of the Old West Billy the Kid rivals such western icons as Jesse James and General George Armstrong Custer for the number of books and movies his brief violent life inspired Billy the Kid A Reader's Guide introduces readers to the most significant of these written and filmed works Compiled and written by a respected historian of the Old West and author of a masterful new biography of Billy the Kid this reader's guide includes summaries and evaluations of biographies histories novels and movies as well as archival sources and research collections Surveying newspaper articles books pamphlets essays and book chapters Richard W Etulain traces the shifting views of Billy the Kid from his own era to the present Etulain's discussion of novels and movies reveals a similar shift even as it points out both the historical inaccuracies and the literary and cinematic achievements of these works A brief section on the authentic and supposed photographs of the Kid demonstrates the difficulties specialists and collectors have encountered in locating dependable photographic sources This discerning overview will guide readers through the plethora of words and images generated by

Billy the Kid's life and legend over more than a century. It will prove invaluable to those interested in the demigods of the Old West and in the ever-changing cultural landscape in which they appear to us. **A Month of Sundays** Kent Biffle, 1993.
