Prince's Secret Baby (Science Fiction Romance) Aurelia Skye,2019-01-19 As the second in command of Olympus Station Captain Hadley Wells is usually too focused on her career to worry about romance That changes with the arrival of Prince Nykal of Jroj a planet that s recently joined the Coalition Their attraction is immediate and fierce but too many rules separate them to let them have more than one stolen night The night is amazing but has far reaching consequences Add in the ambassador determined to keep Nykal from her by any means and it s a complicated mess that needs a solution before the secret she carries is visible to all *Alien General's Rebel Consort* Aurelia Skye,Juno Wells,2020-06-09 Can two enemies find

a way to love When Tarsans invaded Earth two years ago Kendall s cell was one of many around the world tasked with guerilla warfare and fomenting rebellion When she has the chance to execute the general of Sector Seven she takes it thwarted at the last moment by an act of heroism by his protégé To buy her people time to escape she confesses to being the sniper She expects to be killed for her crime but Tarek imposes an unthinkable sentence instead He takes her as his consort deeming she ll give a life for the life she took by providing him with a son She can escape but she decides to stay hoping to find a way to bring down the Tarsans with access to a part of the city ship rebel spies have never obtained She doesn t expect to lose her heart along the way and when the opportunity to help humans presents itself she s torn by the need to betray him and their deepening bond though she has no choice Tarsans consider females weak especially human females At first Tarek thinks Kendall is lying when she claims credit for trying to shoot him and coordinating the attacks on his people over the past two years When she stabs him through the heart he s more convinced and as the days progress he sees depths of strength in her that he comes to respect Love blossoms in spite of them but can it survive Kendall s ultimate plan and what it will mean for the Tarsans This captive alien invasion romance touches on some dark issues and there are scenarios that might be upsetting to sensitive readers [True North](#) Aurelia Skye,2019-06-30 Everything North Campbell believes about her life is a lie She doesn t discover that until the night her father dies and she learns he wasn t her father He kidnapped her as a baby from her birth parents Jim and Carol Allis They seem ecstatic to find her but she quickly learns they along with their powerful dragon shifter ally Pytor Douglas have nefarious plans for her She runs straight into the arms of another mysterious group

and they tell her she's a Trueblood descended from all the mythic races and capable of great power. She's at risk but the Council assigns her six bodyguards and the Oracle has seen her future husband is among the six. North is dragged from realm to realm to learn how to use her powers. That task seems impossible almost as impossible as choosing just one man from among the six mythics entrusted with her protection. How can she choose between a vampire an angel a demon a witch a dark elf and a wolf shifter when each of the men is perfect for her in different ways. Dare she risk everything and choose them all. Will she have a chance to make the decision or will Pytor's group get her first. This is 150 000 words and tells the complete story as a standalone.

Baby For The Serp General Aurelia Skye, 2023-10-16 She's his reluctant captive but can she become his willing mate. Captured rebel Natalia expects to be executed not claimed as a surrogate by General Zath a fierce Serpentine alien. While wary she's intrigued by his unexpected care and eventual admission he desires her as a true mate. Torn between lingering distrust and her growing feelings Natalia must decide if she can abandon her cause to find love in the enemy's arms. Seven years ago the Faction agreed to save Earth from the vorathan invasion in exchange for Earth women giving them one year of proxy rights to act as a surrogate since the aliens of the Faction faced a dwindling population. With the vorathans feared throughout the galaxy as bloodthirsty vicious marauders the Earth's government agreed. That doesn't mean the women did. Sometimes you want to read about the entire alien empire and all its myriad twists and turns immersing yourself in hundreds of pages of intrigue. And sometimes you want to skip the frills and get to the main event. Juno and Aurelia are pleased to bring you a series of short steamy romances about human women making babies with their truly alien mates.

Their Rising Sun Milly Taiden, 2019 Grab the first of this reverse harem series. Blake Parker believes in giving herself and helping others whenever and however she can. When she hears about an opportunity to help an alien planet repopulate and rebuild she jumps at the chance to be a surrogate. Blake herself was born to a surrogate mother so it feels like the right thing to do. Giving the shifter alpha males on planet Dearia a family is her ultimate pay it forward. Not long after arriving on Dearia she meets not one but four handsome wolf shifters. They all claim she's their mate. How in the world did she get so lucky. Jericho the Wintervale Alpha and his sentry Mace have agreed to share a surrogate. However two other males take an interest in her. So now four guys are ready to share her in the dirtiest ways possible and she's beyond excited about the prospect. She's a sick woman with a perverted mind. When Blake's life is threatened by a race of ancient monsters who rise from the grave hungry for her blood it's up to Jericho Mace Serge and Castien to keep her safe.
