Divine Callings Richard N. Pitt, 2012-02 One of the unique aspects of the religious profession is the high percentage of those who claim to be called by God to do their work This call is particularly important within African American Christian traditions Divine Callings offers a rare sociological examination of this markedly understudied phenomenon within black ministry Richard N Pitt draws on over 100 in depth interviews with Black Pentecostal ministers in the Church of God in Christ both those ordained and licensed and those aspiring to examine how these men and women experience and pursue the call Viewing divine calling as much as a social process as it is a spiritual one Pitt delves into the personal stories of these individuals to explore their work as active agents in the process of fulfilling their calling In some cases those called cannot find pastoral work due to gender discrimination lack of clergy positions and educational deficiencies Pitt looks specifically at how those who have not obtained clergy positions understand their call exploring the influences of psychological experience the congregational acceptance of their call and their response to the training process He emphasizes how those called reconceptualize clericalism in terms of who can be called how that call has to be certified and what those called are meant to do offering insight into how social actors adjust to structural constraints COGIC Annual Lesson Commentary 2020-2021 [KJV-AMP] Church Of God In Christ Publishing House, 2020-08-01 The curriculum produced by the Church Of God In Christ is prepared to train and nurture this generation in the faith Use it and cherish the very opportunity you have to tutor the next generation of Bible reading and Word believing Saints in a world of need This Annual commentary is your source of continued readiness fresh and anointed Word for the entire year Its compilation of the year s International Sunday Uniform Lesson series will help you grow and develop in your knowledge of the Word of God Not only has the Church Of God In Christ provided you the lessons but the Annual Commentary also provides insight into practical ways to utilize the lesson material Tips For New Sunday School Leaders Tips For Sunday School Growth Through Outreach and The Three C s Of Team Building These informational articles written by fellow Sunday School teachers are sure to bring positive results Thank you for your support of the Church Of God In Christ Publishing Board and Publishing House by your purchase of an Annual Commentary
