All Lined Up A Rusk University Novel:

All Lined Up Cora Carmack, 2014-05-13 New York Times and USA Today bestselling author Cora Carmack follows up her trio of hits *Losing It*, *Faking It* and *Finding It* with this thrilling first novel in an explosive series bursting with the Texas flavor, edge and steamy romance of *Friday Night Lights*. In Texas, two things are cherished above all else: football and gossip. My life has always been ruled by both. Dallas Cole loathes football. That's what happens when you spend your whole childhood coming in second to a sport. College is her time to step out of the bleachers and put the playing field and the players in her past. But life doesn't always go as planned. As if going to the same college as her football star ex wasn't bad enough, her father, a Texas high school coaching phenom, has decided to make the jump to college ball as the new head coach at Rusk University. Dallas finds herself in the shadows of her father and football all over again. Carson McClain is determined to go from second string quarterback to the starting line up. He needs the scholarship and the future that football provides. But when a beautiful redhead literally falls into his life, his focus is more than tested. It's obliterated. Dallas doesn't know Carson is on the team. Carson doesn't know that Dallas is his new coach's daughter. And neither of them know how to walk away from the attraction they feel.

All Broke Down Cora Carmack, 2014-10-28 In this second book in New York Times and USA Today bestselling author Cora Carmack's New Adult Texas set Rusk University series, which began with *All Lined Up*, a young woman discovers that you can't only fight for what you believe in; sometimes you have to fight for what you love. Dylan fights for lost causes. Probably because she used to be one. Environmental issues, civil rights, education, you name it, she's probably been involved in a protest. When her latest cause lands her in jail for a few hours, she meets Silas Moore. He's in for a different kind of fighting. And though he's arrogant and not at all her type, she can't help being fascinated with him. Yet another lost cause: Football and trouble are the only things that have ever come naturally to Silas. And it's trouble that lands him in a cell next to do-gooder Dylan. He's met girls like her before; fixers he calls them, desperate to heal the damage and make him into their ideal boyfriend. But he doesn't think he's broken, and he definitely doesn't need a girlfriend trying to change him. Until that is, his anger issues and rash decisions threaten the only thing he really cares about: his spot on the Rusk University football team. Dylan might just be the perfect girl to help. Because Silas Moore needs some fixing after all.

All Played Out Cora Carmack, 2015-05-12 In the third book in New York Times and USA Today bestselling author Cora Carmack's Rusk University series, a good girl is about to find out what happens when she creates the ultimate college bucket list and she sets her sights on a jock. First person in her family to go to college. CHECK. Straight A's. CHECK. On track to graduate early. CHECK. Social life, yeah, about that. With just a few weeks until she graduates, Antonella DeLuca's beginning to worry that maybe she hasn't had the full college experience. Okay, scratch that. She knows she hasn't had the full college experience. So Nell does what a smart, dedicated girl like herself does best. She makes a to-do list of normal college activities. Item 1: Hook up with a jock. Rusk University wide receiver Mateo Torres practically wrote the playbook for normal college living. When he's not on the field, he

excels at partying girls and more partying As long as he keeps things light and easy it s impossible to get hurt again But something about the quiet shy sexy as hell Nell gets under his skin and when he learns about her list he makes it his mission to help her complete it Torres is the definition of confident And sexy And wild and he opens up a side of Nell that she s never known But as they begin to check off each crazy exciting normal item Nell finds that her frivolous list leads to something more serious than she bargained for And while Torres is used to taking risks on the field he has to decide if he s willing to take the chance when it s more than just a game Together they will have to decide if what they have is just part of the experiment or a chance at something real **Toute résistance est inutile** Cora Carmack,2016-06-02T00:00:00+02:00

danced around onstage like biomechanical freaks of nature Then there was the man who is the embodiment of the band's name the tormented soul thrown about and struggling to withstand the torrent in the tornado of the music David Yow spilled his insides while he spent most of the shows in no on the audience being lifted and carried by the masses that were groping and ripping at him trying to be a part greedily looking to get a piece of the action He was the ingenious saboteur the anarchistic oddball in this form of modern theater with the other three serving as the perfect straight men to his madness
