'Die Groot 5'

Eendag in die sonnige savanne, was daar vyf spesiale vriende, die Afrika Groot Vyf. Leeu, die dapper koning, het 'n brul so sterk soos die wind.

Olifant, die grootste, het met sy lang slurp water gespuit. Renoster, met sy stewige horing, het rustig in die modder gerol. Buffel, met sy groot horings, het lekker in die gras gewei. En luiperd, die vinnige jagter, het saggies deur die bosse beweeg. Hulle het almal saam gespeel en die klein diertjies van die savanne beskerm. En so het hulle die beste vriende in die hele wildtuin geword.

Media in Postapartheid South Africa Sean Jacobs, 2019-03-11 In *Media in Postapartheid South Africa* author Sean Jacobs turns to media politics and the consumption of media as a way to understand recent political developments in South Africa and their relations with the African continent and the world Jacobs looks at how mass media define the physical and human geography of the society and what it means for comprehending changing notions of citizenship in postapartheid South Africa Jacobs claims that the media have unprecedented control over the distribution of public goods rights claims and South Africa's integration into the global political economy in ways that were impossible under the state controlled media that dominated the apartheid years Jacobs takes a probing look at television commercials and the representation of South Africans reality television shows and South African continental expansion soap operas and postapartheid identity politics and the internet as a space for reassertions and reconfigurations of identity As South Africa becomes more integrated into the global economy Jacobs argues that local media have more weight in shaping how consumers view these products in unexpected and consequential ways

The Oxford Guide to Literature in English Translation Peter France, 2000 This guide highlights the place of translation in our culture encouraging awareness of the process of translating and the choices involved making the translator more visible Concentrating on major writers and works it covers translations out of many languages from Greek to Hungarian Korean to Turkish For some works e.g. Virgil's *Aeneid* which have been much translated the discussion is historical and critical showing how translation has evolved over the centuries and bringing out the differences between versions Elsewhere with less familiar literatures the Guide examines the extent to which translation has done justice to the range of work available Catalog of the Melville J. Staging Solidarity Tanya Goodman, Ronald Eyerman, Jeffrey C. Alexander, 2015-11-17 The South African Truth and Reconciliation Commission TRC is a modern social drama that enabled the nation's apartheid past to be constructed as a cultural trauma and by doing so created a new collective narrative of diversity and inclusion The TRC relied primarily on testimonies from victims and perpetrators of apartheid violence who came forward to tell their stories in a public forum Rather than simply serving as data for setting the historical record straight this book shows that it was not only the content of these testimonies but also how these stories were told and what values were attached to them that became significant Goodman argues that the performative nature of the TRC process effectively designated the past as profane and simultaneously imagined a sacred future community based on democratic idealism and universal solidarity **South African national bibliography** State Library (South Africa), 1996 Classified list with author and title index **The Bookseller** , 1954 Vols for 1871 76 1913 14 include an extra number The Christmas bookseller separately paged and not included in the consecutive numbering of the regular series *Subject Catalog* Library of Congress, 1960 The Magic Tree Guy Butler, Jeff Opland, 1989
