Ebony ,1975-03 EBONY is the flagship magazine of Johnson Publishing Founded in 1945 by John H Johnson it still maintains the highest global circulation of any African American focused magazine **Ramblings, Rants, and Ravings of a Man** George Robbins,2014-04 Prepare to enter the mind of one man and share some of his experiences in Ramblings Rants and Ravings of a Man In this collection of essays author George Robbins touches on a variety of subjects that affect many of our lives driving sports politics family and even his fight with depression The events are depicted as he remembers them though he has done his best not to embarrass friends and family With straightforward honesty he shares some of his deepest

thoughts and beliefs on a wide range of topics. For example, he explores how he and his wife handled their children with humor. Although his recollections aren't always fun, he does try to find a humorous side whenever possible, even when it's at his own expense. He refers to himself as a piece of work and a work in progress throughout the book, explaining his reasoning for this view of himself. From road rage to raising children, *Ramblings, Rants and Ravings of a Man* offers one man's honest thoughts, possibly a bit more honest than most. Robbins recalls his sixty years, including the good, the bad, and the unbelievable.

Love Is a Drum Wallace Collins, 2000-02-07 *THE EXIT INTERVIEW* is a story about the competitiveness between two business-oriented buddies whose friendship became marred by jealousy and envy, ending in tragic circumstances or, at best, melodramatically. In *LOVE IS A DRUM*, Pops is a senior citizen who shares the spotlight with Malcolm, a young romantic who projects himself years ahead of his time to emphasize with the old man. *THE EMPTY STAGE* is a story that indulges in the often beguiling concept of reality. It speaks to a reality that Billy, a television cameraman, and Walter, a character actor, both find it difficult to identify with actuality. *BLOOD AND WINE* is a story that shows the need for our compassion in understanding the vagrant and trying to ease, if not remedy, his eerie and dismal world of existence.
