more subjective definition of truth than simple fact or fiction she interprets the text through Jungian methodology as a dream of the unconscious psyche of the Jewish people true in its reflection of their collective identity at the time of the text's composition The author merges Terrence Dawson's literary theory concerning the discernment of the effective protagonist of a narrative with Jungian's method of dream interpretation to analyze the text subjectively from the effective protagonist's point of view The author then extrapolates the book's contents onto a hypothetical historical situation to contextualize the book within the Jewish identity and uses her findings to conduct objective analysis

The Special Apparatus of the Muslim Brotherhood Inception, Objectives and Evolution Trends Research & Advisory, 2020-01-01 This study addresses the issue of violence as it pertains to the Muslim Brotherhood and more specifically the Brotherhood's so-called Special Apparatus Despite the Brotherhood's claim to be nothing but a religious and social advocacy movement the formation of the Special Apparatus under the supervision of the Brotherhood's First Guide has been seen as evidence of the Group's institutionalization of violence as a means of ensuring achievement of its goal of coming to power and establishing the Islamic State and beyond this offering what the Brotherhood's founder Hasan al Banna referred to as the exemplary model for the world The Muslim Brotherhood's ideology has provided the intellectual foundations for a variety of contemporary Islamist groups from Al Qaeda to ISIS the Islamic State of Iraq and Syria which have drawn on such ideas in their justification of violence and terrorism throughout the world This ongoing appeal to the Muslim Brotherhood's ideology has guaranteed the continuity of the Special Apparatus despite the blows it received from government security forces in the nineteen fifties and sixties The Brotherhood's declared dissolution of the Special Apparatus and termination of its activities aside the Group remains favorably disposed to the possession and use of force From its point of view the Muslim Brotherhood possesses a credibility and purity that set it apart from all other entities such that if it were to decide to use force it would most certainly be in response to an urgent need Depending on internal and external variables the activity of the Special Apparatus currently takes a variety of forms be they relevant to politics intelligence gathering or public relations Such activity also includes what is termed defensive violence represented by the unrest vandalism of infrastructure and targeting of police forces that came in the wake of the late President Mohamed Morsi's ouster

Imagining Modern Democracy Ranilo Balaguer Hermida, 2014-11-19 Winner of the 2016 Outstanding Scholarly Work Award for the School of Humanities presented by Ateneo de Manila University This book is a pioneering study of Philippine democracy one of the oldest in the Asian region vis vis Habermasian critical theory Proceeding from a concise examination of the theory of law and democracy found in Habermas's *Between Facts and Norms* Ranilo Balaguer Hermida explains how the law occupies the central role in both the legitimation of political power and the attainment of social integration He then discusses how Habermas proposes to resolve the tension that exists in modern society between democratic norms and social facts through the adoption of a lawmaking procedure whereby the informal sources of issues and opinions from the public sphere are allowed to develop and

interact with the formal deliberations and decision processes inside the political system He also explores certain provisions of the present Philippine Constitution that were expressly intended to restore democratic institutions and processes destroyed by decades of martial law as well as the problems and hindrances that stand in the way of their full implementation
