United States. Congress. House, 2014 Covers receipts and expenditures of appropriations and other funds Barons Austin Frerick, 2025-09-02 Now with a new chapter on the Distribution Barons Best Books of 2024 Frerick s prose throughout is

both direct and masterfully controlled with every point supported by extensive references and notes This is no alarmist screed but rather a careful systematic and utterly damning demolition job an exquisitely informed expos A genuinely revelatory look at mass food production in the United States Kirkus Reviews starred In this eye opening debut study Frerick an agricultural policy fellow at Yale University reveals the ill gained stranglehold that a handful of companies have on America s food economy It s a disquieting critique of private monopolization of public necessities Publishers Weekly starred Barons is the story of eight titans of the food industry their rise to power and the consequences for workers eaters and democracy itself Readers will meet a secretive German family that took over the global coffee industry in less than a decade relying on wealth traced back to the Nazis to gobble up countless independent roasters They will visit the Disneyland of agriculture where school children ride trams through mechanized warehouses filled with tens of thousands of cows that never see the light of day And they will learn that in the food business crime really does pay especially when you can bribe and then double cross the president of Brazil Barons paints a stark portrait of corporate consolidation but it also shows that a fair healthy and prosperous food industry is possible if we take back power from the barons who have robbed us of it
