You're the Umpire Wayne Stewart, 2010-04-28 Do you think you have what it takes to be a Major League umpire? Well now you can test your knowledge of the game with Wayne Stewart's *You're the Umpire*. Divided into three sections, this unusual handbook offers Routine Calls which deal with scenarios and rules that typically come up in games and deal with clear cut rules, fair and foul, strike zone questions and the like. The next section Basic Situations deals with umpiring matters and rules that are just a bit more unusual or for the casual fan, obscure Interference and obstruction calls for example, don't come up too often but they remain standard stuff involving rules that umpires and many fans know quite well. In the final section Obscure Rules and Situations you will be presented with what many baseball people call knotty problems. Here you will be asked questions involving the complex infield fly rule and other arcane matters. This section then is the ultimate test of your umpiring skills and knowledge. Most of the situations in *You're the Umpire* come from real games but some scenarios are made up to illustrate specific points or rules. Test yourself against your friends or against the famously iconic baseball rulebook. It's a challenge and it's fun.
