15 2016 Budget For Limpopo:

Land, Rights and the Politics of Investments in Africa Lars Buur, José J. Macuane, Faustin P. Maganga, Rasmus H. Pedersen, 2023-03-02 In response to the recent surge in extractive natural resource investments in Africa this insightful book explores how relations between investors ruling elites and local populations develop when large scale investments in gas minerals and agriculture expand Advancing a multi level approach that encompasses rigorous theoretical analysis fieldwork and literature review expert contributors examine the implementation of natural resource investments and the extent to which they respect rights of local populations **Limpopo Life** Anneli Ekblom, Michel Notelid, 2025-06-20 Limpopo Life introduces the reader to the material culture oral histories and the negotiation of conservation and landscape in an area now known as Limpopo National Park Introducing the archaeology of a region that has not been surveyed or discussed this book connects to the archaeology history heritage and conservation discussions in the southern African region as a whole Vegetation history and paleoecology are combined with archaeological surveys and excavations written sources oral histories and travelogues to draw a picture of the diverse landscape of the Limpopo region Intermixed within this narrative are sections that focus on an individual species a life history or an event providing a view of the complex and dynamic interactions The role of humans in this diverse environment and how they have co evolved with other species shaping each other's destinies in a consequential and accidental way is outlined This book will be of interest to researchers and students interested in the archaeology heritage and conservation of Mozambique Zimbabwe and northern South Africa It will also be of relevance to readers interested in the social history of the Limpopo and Kruger National Parks and this cross border area

Adoption and impact of OER in the Global South Cheryl Hodgkinson-Williams, Brazil Arinto, 2017-12-29 Education in the Global South faces several key interrelated challenges for which Open Educational Resources OER are seen to be part of the solution These challenges include unequal access to education variable quality of educational resources teaching and student performance and increasing cost and concern about the sustainability of education The Research on Open Educational Resources for Development ROER4D project seeks to build on and contribute to the body of research on how OER can help to improve access enhance quality and reduce the cost of education in the Global South This volume examines aspects of educator and student adoption of OER and engagement in Open Educational Practices OEP in secondary and tertiary education as well as teacher professional development in 21 countries in South America Sub Saharan Africa and South and Southeast Asia The ROER4D studies and syntheses presented here aim to help inform Open Education advocacy policy practice and research in developing countries **The Politics of Custom** John L. Comaroff, Jean Comaroff, 2018-03-08 How are we to explain the resurgence of customary chiefs in contemporary Africa Rather than disappearing with the tide of modernity as many expected indigenous sovereigns are instead a rising force often wielding substantial power and legitimacy despite major changes in the workings of the global political economy in the post Cold War

era changes in which they are themselves deeply implicated This pathbreaking volume edited by anthropologists John L Comaroff and Jean Comaroff explores the reasons behind the increasingly assertive politics of custom in many corners of Africa Chiefs come in countless guises from university professors through cosmopolitan businessmen to subsistence farmers but whatever else they do they are a critical key to understanding the tenacious hold that traditional authority enjoys in the late modern world Together the contributors explore this counterintuitive chapter in Africa s history and in so doing place it within the broader world making processes of the twenty first century Proceedings of the 23rd European Conference on Research Methodology for Business and Management Studies Dr Ana Isabel Azevedo,2024-07-04 These proceedings represent the work of contributors to the 23rd European Conference on Research Methodology ECRM 2024 hosted by ISCAP in Porto Portugal on 4 5 July 2024 The Conference Co Chairs are Dr Ana Isabel Azevedo and Dr Jos Manuel Azevedo both from ISCAP Portugal ECRM is a well established event on the academic research calendar and now in its 23rd year and remains an opportunity for participants to share ideas and meet The aims and scope of this conference is to bring together researchers from a range of disciplines and sectors to share expertise and novel approaches in business and management research methods ECRM is interested in contributions on the subject of research methods used in business and management research The papers tend to either focus directly on creating and implementing innovative methodologies or research papers which highlight an interesting use of methodologies in their study The opening keynote presentation is given by Marta Agostinho Executive Director of EU LIFE with the title Excellent Scientific Research What Does it Mean and Why Should we Care About it On the second day Professor Susanne Tietze from The University of Sheffield Hallam UK will give a talk on the subject Cross Language Research Methods Translation and Linguistic Reflexivity With an initial submission of 90 abstracts after the double blind peer review process there are 30 Academic research papers 1 PhD research paper 1 Masters Research paper and 1 work in progress paper published in these Conference Proceedings These papers represent research from India Australia Brazil Canada China Czech Republic Estonia Germany India Ireland Italy Latvia Morocco Norway Oman Poland Portugal Slovakia South Africa Sweden UK and the USA *Stakeholder Perspectives on World Heritage and Development in Africa* Pascall Taruvinga,2022-08-25 Stakeholder Perspectives on World Heritage and Development in Africa argues that World Heritage Sites WHS across the African continent should adopt practical innovative creative and alternative management approaches that bring greater socio economic benefits to society whilst protecting their Outstanding Universal Value Drawing on empirical evidence gathered in conversation with stakeholders at WHS across Africa the book explores the challenges involved in implementing conservation and socio economic development as a stakeholder driven process Demonstrating that heritage can no longer be viewed as totally separate from its socio economic context Pascall argues that decisions about the management of heritage need to make sense at the local level if they are to be supported by stakeholders As the book shows heritage is still viewed and managed through systems approaches and strategies inherited from the

colonial period despite the increasing availability of inclusive governance systems Stakeholders offer alternative creative and innovative approaches that capitalize on the potential of World Heritage to contribute to socio economic development whilst ensuring that its credibility and integrity are maintained Stakeholder Perspectives on World Heritage and Development in Africa offers unique insights into local perspectives on World Heritage and development in Africa The book will be essential reading for academics students development partners and practitioners around the world who are interested in museums and heritage conservation development and the African continent Also the book will be useful in the preparation of nomination dossiers management plans development plans and in disaster risk management at WHS Reshaping Decentralised Development Co-operation The Key Role of Cities and Regions for the 2030 Agenda OECD,2018-06-26 Over the last decades and in line with the adoption of the Sustainable Development Goals SDGs in 2015 cities and regions have played an important part in helping to implement global agendas at local level through their Decentralised Development Cooperation DDC activities **Pretoria Student Law Review 2021-15** Pheny Nomasonto Morweši Sekati,2022-01-01 About the publication I am delighted to present to you the reader the fifteenth edition of the Pretoria Student Law Review PSLR with its Special Section on Social Justice and COVID 19 This year s Annual Edition together with the developments made during the year is a testament to the growth resilience and adaptability of this student driven initiative especially during these turbulent times This year has also been one of reflection and remembrance as we publish this edition in tribute to the late Professor Christof Heyns whose instrumentality in the establishment of the Pretoria University Law Press PULP has brought us to where we are today Fourteen years since its inception and the PSLR still continues to grow and evolve whilst remaining true to its thriving legacy in fostering excellence and innovation through legal writing This publication s uniqueness is also presented through its diverse contributions all addressing contemporary societal and legal issues under a broad range of legal disciplines In an era of many continued firsts the PSLR has strived to build on the legacy of its predecessors by expanding on the Journal s visibility and accessibility The PSLR s digital presence has now grown substantially leading to an increase in quality submissions from institutions across the country This year the PSLR launched its first independent website and developed an official logo for the Journal and its online platforms Authors are now able to submit their papers through the Open Journals System platform track their workflow manage their submissions and submit at any time outside of the PSLR s official call for submissions We can firmly submit that we have in pursuance of being a DHET accredited journal fulfilled the standards set out by the Department of Higher Education and Training Many thanks are extended to Makone Maja for developing the website Your patience guidance and geniality are truly appreciated Thank you also to Jakolien Strydom and ClickCreate for your charitable assistance in developing and designing the logo To the authors this year has in many respects been challenging with many of those challenges affecting students directly We appreciate the dedicated efforts put into your submissions and your wholehearted cooperation throughout the entire process Much appreciation is also

extended to the reviewers who have selflessly committed to assisting the PSLR during the peer review process To all of the reviewers your input guidance and recommendations are greatly appreciated Phenyó Nomasonto Morwesi Sekati Editor in Chief 2020

Wrecking Ball Stu Woolman, 2021-04-29 Wrecking Ball explores in an unprecedented manner a decalogue of wicked problems that confronts humanity Nuclear proliferation climate change pandemics permanent technological unemployment Orwellian public and private surveillance social media that distorts reality cyberwarfare the fragmentation of democracies the inability of nations to cabin private power the failure of multinational institutions to promote collaboration and the deepening of autocratic rule in countries that have never known anything but extractive institutions Collectively or even severally these wicked problems constitute crises that could end civilisation Does this list frighten you or do you blithely assume that tomorrow will be just like yesterday Wrecking Ball shows that without an inclusive system of global governance the collective action required to solve those wicked problems falls beyond the remit of the world's 20 inclusive democracies 50 flawed democracies and 130 extractive elitist autocracies Flawed democracies and autocracies that already struggle to produce goods necessary for their own citizens to flourish are simply incapable of committing to international arrangements that address the existential threats posed by the decalogue of wicked problems This then is our children's inheritance Dystopias far far worse than the polities that we ourselves have known What if anything can mitigate the harms that are our legacy Wrecking Ball offers as an answer a ground breaking analysis of South Africa's political economy It demonstrates that this country's elitist and extractive political and economic institutions not only make resolution of ongoing domestic crises unattainable likewise they make meaningful responses to wicked problems impossible Smart people think they have all the answers Without laboring under any such illusions Martin Luther King Jr eloquently opined The arc of the moral universe is long but it bends towards justice But what will happen King would acidly ask if we continue to dawdle and simply run out of time Wrecking Ball similarly operates under no such smart pretenses and undeterred and unmatched ventures into terrains traversed by truly great political economists Smith Ricardo Marx and Keynes By knitting together what we all know to be the facts with cutting edge theory in economics sociology history and political science the book paints an unflinching portrait of where we are and where we are headed Are we ready to be honest with ourselves about the likely future of this overheated overpopulated planet
