Revenue and Taxation Reference Book, 2012 **Insurance - Reference Book** Prin. Dr. Nitin Laxman Ghorpade, 2015-07-01 Principles of Risk Management and Insurance by George E Rejda is a recommended reference book for understanding insurance concepts principles and risk management strategies **Economic Impacts of Intellectual Property-Conditioned Government Incentives** Dan Prud'homme, Hefa Song, 2016-06-21 This book provides new insights into the economic impacts strategic objectives and legal structures of an emerging branch of government incentives conditioned on meeting intellectual property related requirements Despite becoming more common in recent years such incentives ranging from patent fee subsidies and patent box tax deductions to inventor remuneration schemes are still under researched A diverse range of analytical methods including econometric analyses case studies and comparative legal analysis are used to study these incentives in countries in Europe and China Scholars policymakers and practitioners can benefit from the conceptual and practical insights as well as policy recommendations provided Handbook on the Politics of Taxation Hakelberg, Lukas, Seelkopf, Laura, 2021-09-14 This comprehensive Handbook provides an insight into the main concepts and academic debates on taxation from a political science perspective Providing a background to current debates on green taxation taxation and inequality taxation and gender tax evasion and avoidance and tax compliance it offers potential avenues for future research **Quantitative indicators for country-level innovation ecosystems** Michael Quinn Hogan, Michael P. Gallaher, 2018-05-20 Innovation has been shown to be a key factor in determining a country's competitiveness and economic growth potential Through investments in education and research and development many developing countries have tried to avoid the middle income trap of stagnation by working to create high value employment opportunities To better understand country level readiness to innovate we have compiled a set of publicly available data indicators and created a data tool to illustrate innovation capabilities and infrastructure by country Our approach builds on and advances existing national innovation metrics by constructing transparent publicly sourced indicators that emphasize changes over time and interrelationships between different indicators as opposed to creating simple indices across groups of indicators This occasional paper is targeted to an applied audience explaining the methods used to assemble the data an overview of the indicators practical applications of the data summary statistics and data limitations The data are not intended to be a tool for providing answers about innovation but rather a starting point for future work including market landscaping country level diagnostics and qualitative protocols for research **Research Handbook on Partnerships, LLCs and Alternative Forms of Business Organizations** Robert W. Hillman, Mark J. Loewenstein, 2015-08-28 While the partnership has been a viable alternative to incorporation for centuries the much more recent limited liability company LLC has increasingly become the business organization of choice for new firms in the United States This Handbook inclu Indian and Global Economy - Reference Book Prof. Dr. M. U. Mulani, 2015-07-01 This book provides a comprehensive overview of the Indian economy

covering topics from economic history to contemporary issues It is often recommended for various competitive exams and academic studies

The Business Environment Paul Wetherly, Dorron Otter, 2018 The only book with a themes and issues approach that encourages critical engagement with contemporary debates in the business environment

Financing Basic Income Richard Pereira, 2023-07-12 This Palgrave Pivot second edition argues that basic income is in fact affordable The contributors approach the topic from the perspectives of three different countries Canada Switzerland and Australia to overcome objections that a universal program to keep all citizens above the poverty line would be too expensive to implement They assess the complex array of revenue sources that can make universal basic income feasible from the underestimated value of public program redundancies to new and so far unaccounted publicly owned assets This new edition adds an analysis for financing basic income in the United States as well as considering the basic income potential in a country of far more modest economic resources Portugal The COVID 19 pandemic is discussed in a new Prologue demonstrating the need for universal economic security as a precautionary measure for unforeseen crises New research and compelling analyses are included throughout to provide support for a dual basic income proposal

Designing Value-Creating Supply Chain Networks Alain Martel, Walid Klibi, 2016-03-30 Winner of the 2016 Coup de Coeur prize at the Plumes des Achats location capacity and mission of supply chain facilities plants distribution centers as well as the network structure required to provide flexibility and resilience in an uncertain world this book presents an innovative methodology for SCN reengineering that can be used to significantly improve the bottom line of supply chain dependent businesses Providing readers with the tools needed to analyze and model value creation activities Designing Value Creating Supply Chain Networks examines the risks faced by modern supply chains and shows how to develop plausible future scenarios to evaluate potential SCN designs The design methods proposed are based on a visual representation formalism that facilitates the analysis and modeling of SCN design problems book chapters incorporate several example problems and exercises which can be solved with Excel tools Analysis tools and Solver or with commercial statistical and optimization software
