2015 2016 Unima Mature Entry Press Release:

Proceedings of the Unima International Conference on Social Sciences and Humanities (UNICSSH 2022)

Recky Harold Elby Sendouw, Theodorus Pangalila, Sjamsi Pasandaran, Vivi P. Rantung, 2023-01-24 This is an open access book. The Unima International Conference on Social Sciences and Humanity UNICSSH 2022 was conducted on October 11th 13th 2022 at The Grand Kawanua International City Manado North Sulawesi Indonesia. In 2022 Universitas Negeri Manado will host the Indonesian National Education Convention KONASPI X. Konaspi is a routine activity of the PPTKN which is held once every four years. The fourth industrial revolution 4.0 is marked by technological advances and supported by artificial intelligence that creates opportunities and challenges for the education system. University and vocational school graduates are facing a world transformed by technology which in turn is transforming the workplace from task based to human centered characteristics. Certain skills such as critical thinking, emotional intelligence, problem solving, cognitive flexibility, and knowledge production are required. To answer this demand, the education system must put revolutionary innovation on its agenda. Scholars, researchers, and practitioners are invited to share ideas, research results, and best practices about education, science, and technology now and in the future at an international conference held by Universitas Negeri Manado as part of the Indonesian National Education Convention KONASPI. As part of KONASPI X activities, Universitas Negeri Manado is holding the 2022 International Conference on Education, Social Science, and Humanities ICESSSHum. The topics in this international conference are Education, Law, Politics, and Social Sciences, Economics, Public Administration, and Humanities. Through these themes, it is expected to involve many professionals who have indirect roles in related fields. To enrich this event, the committee invites all national and international participants including academics, researchers, professionals, and other relevant stakeholders to send research papers or review papers to be presented at the conference. **Implementing**

Information Technology in Learning Processes Georgia Prokopiadou, 2025-09-26 This book addresses issues related to implementing Information and Communication Technologies (ICT) for upgrading the educational framework. It pays special attention to the utilization of technological tools and means in the formation of a qualitatively upgraded teaching and learning environment as well as in dealing with crisis phenomena as faced by school units in the period of the COVID 19 pandemic. Moreover, it celebrates the role of school administration, locating its role in the provision of high standard services for the execution of administrative school procedures and for communication between members of the school community. The book draws on a range of theoretical frameworks and identifies the critical parameters affecting the integration of ICT in all aspects of schooling and provides multiple perspectives of proper use of information technology in an educational system. It offers a broad overview of issues of technological nature that refer to the activities and purposes of a school unit, highlighting specifically how the COVID 19 pandemic cultivated the organizational culture of instant integration of ICT in primary and secondary education within a short period of time.
