

Welcome to your BTF Guide to Everything.

This document contains everything you could ever need to create and mark a website that will make you money. I repeat, **EVERYTHING** is in this guide.

If you are ever unsure of what to do, **ALWAYS** refer back to this guide as a reference.

I am revealing things here that others are charging \$5,000 - \$25,000 for. So keep in mind, just because you paid much less for access to BTF, this content is as good as it gets.

The best advice I can give you is to follow what is included here, and to shut everything else out. The moment you start to think you need something other than BTF, or some new product or strategy you hear about... no matter how enticing it seems...

If it will not **ENHANCE** your BTF experience... **AVOID** it.

Anything that takes you away from BTF can lead to "Shiny Object Syndrome". This is a dangerous affliction, that typically results in losing an obscene amount of time and money. Before you know it, 6 months will pass and you will be right back where you started...

Shiny Object Syndrome is without a doubt the most common reason for failure. So please keep tabs on yourself, and make sure you are doing something every single day that moves you a step forward. No matter how small the step, it is important to keep the forward momentum going.

Consider making yourself publicly accountable by posting a thread in our [Forum](#) detailing your progress.

Believe me, I know how easy it is to get caught up in distractions and hype. Some marketers are very good at stealing our time and focus. The sad truth is that most of them do not have your best interests in mind.
