Employment Security Review United States. Bureau of Employment Security, 1956 Better Than Welfare? Kirrily

Jordan, 2016-08-30 The end of the very long standing Community Development Employment Projects CDEP scheme in 2015 marked a critical juncture in Australian Indigenous policy history For more than 30 years CDEP had been among the biggest and most influential programs in the Indigenous affairs portfolio employing many thousands of Aboriginal and Torres Strait Islander people More recently it had also become a focus of intense political contestation that culminated in its ultimate demise This book examines the consequences of its closure for Indigenous people communities and organisations The end of CDEP is first situated in its broader historical and political context the debates over notions of self determination versus mainstreaming and the enduring influence of concerns about passive welfare and mutual obligation In this way the focus on CDEP highlights more general trends in Indigenous policymaking and questions whether the dominant government approach is on the right track Each chapter takes a different disciplinary approach to this question variously focusing on the

consequences of change for community and economic development individual work habits and employment outcomes and institutional capacity within the Indigenous sector Across the case studies examined the chapters suggest that the end of CDEP has heralded the emergence of a greater reliance on welfare rather than the increased employment outcomes the government had anticipated Concluding that CDEP was better than welfare in many ways the book offers encouragement to policymakers to ensure that future reforms generate livelihood options for Aboriginal and Torres Strait Islander Australians that are in turn better than CDEP Work at Home with a Real Online Job AnnaMaria Bliven,2016-03-02 Find the Job You Want Today Are you a work at home mom or dad retiree or disabled person hoping to earn a little extra to make ends meet Are you seeking a legitimate rewarding online job you can do from home Do you dream of being in charge of your own schedule income advancement destiny If you said yes to any of these questions this book is for you In Work at Home with a Real Job Online you can find just the right job schedule income and future with the help of a leading expert in the field of online job success and prosperity AnnaMaria Bliven Known as the Prosperity Princess by thousands of people she has helped Bliven has poured her latest and greatest practical proven effective insights into this one information packed no filler easy to use volume In these pages you ll find Hundreds of real jobs with quality companies at your fingertips Pro tips and advice on how to find these jobs get hired keep the job you find and advance in it Opportunities for people of all ages and stages teenagers college students work at home moms and dads military veterans retirees the disabled those with background credit issues and more Positions to match just about any interest passion potential or skill set game tester customer service agent educator data entry specialist nurse medical coding specialist transcriptionist translator interpreter artist writer computer technologist and many more Get your copy of Work at Home with a Real Job Online today start working tomorrow
