The Unofficial Guide to Game of Thrones Kim Renfro, 2019-10-08 The everything you missed, wanted to know more about, and can't get enough guide to the Game of Thrones television series from the first episode to the epic finale Valar morghulis. Spanning every episode across all eight seasons, INSIDER's entertainment correspondent Kim Renfro goes deep into how the show was made, why it became such a phenomenon, and explores every detail you want to know. It's the perfect book to look back at all you may have missed or to jump start you on a second viewing of the whole series. As an entertainment correspondent, Renfro has covered the show's premieres, broken down key details in scenes, explored characters' histories, and interviewed the cast, directors, and crew. In this book, she sheds new light on the themes, storylines, character development, the meaning of the finale, and what you can expect next. Some of the questions answered here include: What was the Night King's ultimate purpose? How did the show effect George R. R. Martin's ability to finish the book series? Why were the final seasons shorter? Why did the direwolves get shortchanged? How were the fates of Jon Snow and Daenerys Targaryen foretold from the start? Was that really a bittersweet ending? Winter may have come and gone, but there is still plenty to discover and obsess over in this behind-the-scenes fan guide to the Game of Thrones HBO series.
