Focus On: 100 Most Popular Television Series by Sony Pictures Television Wikipedia contributors, **Focus On: 100 Most Popular Television Series by Universal Television** Wikipedia contributors, **Focus On: 100 Most Popular Television Shows Set in New York City** Wikipedia contributors, *Female Agencies and Subjectivities in Film and Television* Diğdem Sezen, Feride Çiçekoğlu, Aslı Tunç, Ebru Thwaites Diken, 2020-10-29 This volume provides an overview of the landscape of mediated female agencies and subjectivities in the last decade In three sections the book covers the films of women directors television shows featuring women in lead roles and the representational struggles of women in cultural context with a special focus on changes in the transformative power of narratives and images across genres and platforms This collection derives from the editors multi year experiences as scholars and practitioners in the field of film and television It is an effort that aims to describe and understand female agencies and subjectivities across screen narratives gather scholars from around the world to generate timely discussions and inspire fellow researchers and practitioners of film and television *Television by Stream* Christina Adamou, Sotiris Petridis, 2023-05-22 Online television streaming has radically changed the ways in which programs are produced disseminated and watched While the market is largely globalized with some platforms streaming in multiple countries audiences are fragmented due to a large number of choices and often solitary viewing However streaming gives new life to old series and innovates conventions in genre narrative and characterization This edited collection is dedicated to the study of the streaming platforms and the future of television It includes a plethora of carefully organized and similarly structured chapters in order to provide in depth yet easily accessible readings of major changes in television Enriching a growing body of literature on the future of television essays thoroughly assess the effects new television media have on institutions audiences and content **Divine Programming** Charlotte E. Howell, 2020 From the mid 90s to the present television drama with religious content has come to reflect the growing cultural divide between white middle America and concentrated urban elites As author Charlotte E Howell argues in this book by 2016 television narratives of white Christianity had become entirely disconnected from the religion they were meant to represent Programming labeled family friendly became a euphemism for white middlebrow America and developing audience niches became increasingly significant to serial dramatic television Utilizing original case studies and interviews *Divine Programming* investigates the development writing producing marketing and positioning of key series including 7th Heaven Friday Night Lights Rectify Supernatural Jane the Virgin Daredevil and Preacher As this book shows there has historically been a deep ambivalence among television production cultures regarding religion and Christianity more specifically It illustrates how middle American television audiences lost significance within the Hollywood television industry and how this in turn has informed and continues to inform television programming on a larger scale In recent years upscale audience niches have aligned with the perceived tastes of affluent educated multicultural and importantly secular elites As a result the

televised representation of white Christianity had to be othered and shifted into the unreality of fantastic genres to appeal to niche audiences To examine this effect Howell looks at religious representation through four approaches establishment distancing displacement and use and looks at series across a variety of genres and outlets in order to provide varied analyses of each theme Building AI Driven Marketing Capabilities Neha Zaidi, Mohit Maurya, Simon Grima, Pallavi

Karpinski, Ewa

Kębłowska-Ławniczak, 2023-09-29 This interdisciplinary collection focuses on recent adaptations both experimental and popular that put hybridity transtextuality and transmediality at play It reframes adaptation in terms of the transmedia concept of world building which accurately captures the complexity and multidirectionality of contemporary scattered and ubiquitous practices of adaptation The editors argue that the process of moving stories or their elements across different media platforms and repurposing them for new uses results in the production of hybrid transtextualities The book demonstrates how hybrid textualities augment narrative and literary forms as goals of their world building finding

unexpected sites of cross pollination expansion and appropriation in spoken word and dance performance auto biographical comics advertising Chinese Kun opera and popular song lyrics This yoking of hybridity and transmediality yields not only diversified and often commercialized aesthetic forms but also enables the emergence a unique cultural space in between a mezzaterra capable of addressing current political issues and mobilizing broader audiences
