awaken governments and people worldwide The LORD not only wants to show His authority and authorship on earth as the Almighty but He desires to 1 build up the Body of Christ 2 usher in the end time revival and 3 bring the people back to Him The book is intended to show people that we have gotten away from the big picture People have become so focused on the small insignificant things in life like The State of the Union as important as it is yet have lost track of the things which matter most God and His Kingdom Without question most people would likely agree that God s Kingdom is the most powerful important government in the world Through SOKA the world will see that the state of a country pales in comparison to the state or condition of God s Kingdom namely the Church That inevitable day of Jesus Christ coming back to earth is approaching And the world has to prepare for it in the midst of going about our daily lives Are you ready for the ride of your life Enter Chapter One Behold I Come Quickly if you dare **Brand Strategy in Three Steps** Jay Mandel,2023-06-03 Learn how to create an authentic and consistent brand strategy by focusing on the values of your company This book breaks this process into three steps focused on brand identity setting intentions and implementing the resulting strategy To consistently appeal to consumers a brand needs to implement a strong strategy that delivers a memorable experience There are two other essential stages of this process and the companies who skip over these risk seeming out of touch and inauthentic In Brand Strategy in Three Steps branding coach Jay Mandel takes readers through an innovative and efficient three step approach to brand strategy centered on identity intention and implementation Brand Strategy in Three Steps highlights the importance of communicating value to consumers through meaningful interactions Jay Mandel walks readers through the best branding strategies for new companies and established ones looking to revamp their approach providing thoughtful exercises to help readers map a living brand document The book helps readers through the three essential steps of brand strategy identifying their core values as a company determining how this relates to the product or service and tying these together when rolling out the strategy Readers will gain the practical insight necessary to launch a successful purposeful brand strategy and go to market plan 12 Days of Christmas Paul Michael Toth,2022-08-01 Twelve days before Christmas the angel Gabriel is sent to a family the Hopewells who live at 1222 Baker Street And after he touches the lights of their Christmas tree this family of six Paul Julia Alexander Brandon Catherine and little Dasha experience a season that none of them could have ever imagined In the following eleven days prior to Christmas they and their friends Carter and Carrie Covington Samantha and Vic Welhausen David Livingston Aubrey Murphy and Jack Winter are amazed and entertained as the ornaments on the Hopewell tree become animated What first begins as entertainment eventually educates them to the fact they have been called to a heavenly mission a mission in which Lucifer will try his very best to thwart Come along with the Hopewell family and their friends as they learn what it means to encounter the forces of hell and watch how the heaven s army protects this tiny group Though Satan tries his best to keep this group cloaked in darkness the light of understanding slowly ascends on Paul his family and his friends All the darkness they experience being trapped in a burning house buried in the snow along a lonely

highway immersed in a volcanic cloud of ash and more will only serve as background to the light that is slowly dawning Light will win out While 12 Days of Christmas Light Ascending is fiction it forces you to think about the reality that you live in today *The Retailer's Handbook Post COVID-19* Hymie Zawatzky,2021-06-11 If you are presently the owner of a retail business ask yourself Are you suffering from the effects of Covid 19 Is your business still healthy and thriving Is the possibility of renewing your lease for a further five years giving you a headache Are you paying too much rent Do you wish that you knew how to negotiate a better lease with your landlord Do you know how to ensure that the annual outgoings charged by the landlord are fair and reasonable and comply with the provisions of the Retail Tenancy Act in your state Are you experiencing stock shrinkage Are you having difficulties negotiating with your bank Are you studying about retail at a college or university Do you know the law covering franchisees and franchisors from both Are you thinking of bringing your retail business to Australia Are you considering retiring and either selling your business or handing it over to family members If the answers to any of these questions is yes then this book is for you
