 Oliver Turner,Nicola Nymalm,Wali Aslam,2022-12-30 This handbook provides a comprehensive survey of US foreign policy
 throughout the Indo Pacific Home to around 60 percent of the world s population most of the world s largest and fastest
 growing economies around half of the world s states with full nuclear capabilities and a complicated web of unresolved
 tensions disputes and conflicts the Indo Pacific is arguably the most diverse dynamic and contested region on Earth US
 strategy there has evolved over centuries with its physical presence going broadly unchallenged since at least the middle of
 the last century However the rapid development and expanding influence of China alongside the growth of India Indonesia
 Vietnam the Philippines and others as well as political and economic crises and disruptions within the United States itself
 mean that in recent times the US has come to occupy a newly uncertain position and perceive a range of highly unfamiliar
 challenges To explore how the US has managed and continues to manage its regional history and how it approaches the
 modern day landscape of an Indo Pacific only recently normalised within international political discourse the book contains
 33 newly commissioned chapters from leading experts in the field It does so partly with help from the more traditional realms
 of International Relations theory as well as more critical realms It also unpacks US policy and strategy as it pertains to
 regional governments states and multilateral institutions as well as to pressing issues including inter state security human
 rights trade artificial intelligence and cyber strategy It does so in four parts History of the US in the Indo Pacific Theorising
 US Policy and Presence in the Indo Pacific The US and Indo Pacific States and Institutions The US and Indo Pacific Issues
 The book is designed to be of interest to students and scholars of the US in the Indo Asia Pacific the international relations of
