The New Accountability Martin Carnoy,Richard Elmore,Leslie Siskin,2003-12-16 When it comes to the issue of US education reform hopeful politicians liberal and conservative alike have long touted the promises of standards based accountability But do accountability based reforms actually work What happens when they encounter the formidable challenge of the comprehensive high school The New Accountability explores the current wave of assessment based accountability reforms at the high school level in the United States *Educational Equity and Accountability* Linda Skrla,James Joseph Scheurich,2004-02-02 After decades of such inputs as how many books are in the school library and the number of computers in the classroom American education is shining a spotlight on results

School Reform and Research in Educational Psychology Ronald W. Marx,2000 The legendary Greek figure Orpheus was said to have possessed magical powers capable of moving all living and inanimate things through the sound of his lyre and voice Over time the Orphic theme has come to indicate the power of music to unsettle subvert and ultimately bring down oppressive realities in order to liberate the soul and expand human life without limits The liberating effect of music has been a particularly important theme in twentieth century African American literature The nine original essays in *Black Orpheus* examines the Orphic theme in the fiction of such African American writers as Jean Toomer Langston Hughes Claude McKay James Baldwin Nathaniel Mackey Sherley Anne Williams Ann Petry Ntozake Shange Alice Walker Gayl Jones and Toni Morrison The authors discussed in this volume depict music as a mystical shamanistic and spiritual power that can miraculously transform the realities of the soul and of the world Here the musician uses his or her music as a weapon to shield and protect his or her spirituality Written by scholars of English music women s studies American studies cultural theory and black and Africana studies the essays in this interdisciplinary collection ultimately explore the thematic linguistic structural presence of music in twentieth century African American fiction

Demythologizing Educational Reforms Arthur T. Costigan,Leslee Grey,2014-08-21 There are dozens of myths surrounding educational reform today maintaining the school s role in economic competitiveness the deficiency of teachers the benefits of increased testing and the worthiness of privatization In this volume the editors argue that this discussion has been co opted to reflect the values and worldviews of

special interest groups such as elites in power politicians corporate educational foundations and the media Prominent educational writers tackle contemporary issues such as neoliberalism suburban schooling charter schools and parental involvement They expose the logic behind the talk and critically examine these problematic beliefs to uncover meaningful improvements in education which are better grounded in the social economic political and educational realities of contemporary society
