

Sets of Numbers

- The **natural numbers** are the set of numbers used when counting; these are the numbers $\{1, 2, 3, 4, 5, \dots\}$.
- The **whole numbers** are the set of natural numbers and zero; these are the numbers $\{0, 1, 2, 3, 4, 5, \dots\}$.
- The **integers** are the set of whole numbers and their opposites; these are the numbers $\{\dots, -3, -2, -1, 0, 1, 2, 3, \dots\}$.
- The **rational numbers** are the set of numbers that can be expressed as a fraction of two integers, where the denominator is not zero. Rational numbers include the set of natural numbers, whole numbers, and integers.

EX: $-5, \frac{3}{4}, 0, 2, \sqrt{16}, 2\frac{1}{2}, 0.\overline{6}, 2.35$

- The **irrational numbers** are the set of numbers that cannot be expressed as a fraction of two integers.

EX: $\pi, e, \sqrt{3}, \sqrt[3]{10}$

- The **real numbers** are the set of rational numbers and irrational numbers.

EX: $-4, \pi, \frac{7}{8}, \sqrt{5}, \sqrt[3]{64}, 0.125, \sqrt[3]{25}, 0.\overline{7}$

- The **imaginary numbers** are the set of square roots of negative numbers, written in the form bi , where b is a nonzero real number and $i = \sqrt{-1}$.

EX: $-5i, i, 3i, \sqrt{-9}, -\sqrt{-100}$

- The **complex numbers** are the set of real numbers plus an imaginary number, written in the form $a + bi$, where a and b are real numbers and $i = \sqrt{-1}$.

EX: $9 + 2i, -6 + i, -4 - 3i, 7 - 6i, 5i$

Solving Equations

When you perform the same operation to each side of an equation, the result is a new equation that has the same solution. Equations that have the same solution(s) are equivalent equations.

Using the Addition Property of Equality

The **Addition Property of Equality** states that when the same number is added to equal numbers, the sums are equal.

RULE: If a, b , and c are any real numbers and $a = b$, then $a + c = b + c$.

EX: $2 + 7 = 2 + 7$

Applying this property to equations, when the same number is added to each side of an equation, the result is an equivalent equation.

EX: If $x = 3 + 11$, then $x + 3 + 3 = 11 + 3$, or $x = 14$

Using the Subtraction Property of Equality

The **Subtraction Property of Equality** states that when the same number is subtracted from equal numbers, the differences are equal.

RULE: If a, b , and c are any real numbers and $a = b$, then $a - c = b - c$.

EX: $12 - 8 = 12 - 8$

Applying this property to equations, when the same number is subtracted from each side of an equation, the result is an equivalent equation.

EX: If $y + 7 = 15$, then $y + 7 - 7 = 15 - 7$, or $y = 8$.

Using the Multiplication Property of Equality

The **Multiplication Property of Equality** states that when equal numbers are multiplied by the same number, the products are equal.

RULE: If a, b , and c are any real numbers and $a = b$, then $ac = bc$.

EX: $5 \cdot 4 = 5 \cdot 4$

Applying this property to equations, when both sides of an equation are multiplied by the same real number, the result is an equivalent equation.

EX: If $\frac{x}{6} = 3$, then $\left(\frac{x}{6}\right)6 = (3)6$, or $x = 18$

Using the Division Property of Equality

The **Division Property of Equality** states that when equal numbers are divided by the same nonzero number, the quotients are equal.

RULE: If a, b , and c are any real numbers, $c \neq 0$, and

$a = b$, then $\frac{a}{c} = \frac{b}{c}$

EX: $\frac{15}{3} = \frac{15}{3}$

Applying this property to equations, when both sides of an equation are divided by the same nonzero real number, the result is an equivalent equation.

EX: If $7x = 21$, then $\frac{7x}{7} = \frac{21}{7}$, or $x = 3$

Solving Multistep Equations

Some equations require more than one inverse operation to solve. The goal when solving a multistep equation is to isolate the variable (i.e., get it by itself). To do this, use the properties of equality. If there are like terms on one side of an equation, they should be combined before using the properties.

EX: Solve the equation $5x + 3x - 1 = 15$

- $5x + 3x - 1 = 15$
- $8x - 1 = 15$
- $8x - 1 + 1 = 15 + 1$
- $8x = 16$
- $\frac{8x}{8} = \frac{16}{8}$
- $x = 2$

- Original equation
- Combine like terms.
- Use the Addition Property of Equality to undo the subtraction and isolate the variable term.
- Simplify.
- Use the Division Property of Equality to undo the multiplication and isolate the variable.
- Simplify.

Variables on Both Sides

When an equation has variables on both sides, the objective is to get all variable terms on the same side of the equation by using either the Addition or Subtraction Property of Equality.

EX: Solve the equation $6m - 8 = 2m$

- $6m - 8 = 2m$
- $6m - 8 - 2m = 2m - 2m$
- $4m - 8 = 0$
- $4m - 8 + 8 = 0 + 8$
- $4m = 8$
- $\frac{4m}{4} = \frac{8}{4}$
- $m = 2$

- Original equation
- Use the Subtraction Property of Equality to move the variable term to one side.
- Simplify.
- Use the Addition Property of Equality to isolate the variable term.
- Simplify.
- Use the Division Property of Equality to isolate the variable.
- Simplify.

Solving Absolute Value Equations

The **absolute value** of a number is its distance from zero on the number line. Therefore, the equation $|x| = 4$ has two solutions, 4 and -4, since both have a distance of 4 units from zero on the number line.

To solve an equation $|x| = b$, where b is a positive number, solve the disjunction $x = b$ or $x = -b$.

EX: Solve the equation $|x + 7| = 3$

- $|x + 7| = 3$
- $x + 7 = 3$ or $x + 7 = -3$
- $x + 7 - 7 = 3 - 7$ or $x + 7 - 7 = -3 - 7$
- $x = -4$ or $x = -10$

- Original equation
- Write as a disjunction.
- Use the Subtraction Property of Equality on both equations to isolate the variable.
- Simplify.

Solving Inequalities

An **inequality** shows the relationship between two numbers or expressions. The solution of an inequality is the set of numbers that make the inequality true.

Addition & Subtraction Properties

The **Addition and Subtraction Properties of Inequality** state that adding or subtracting the same number on each side of an inequality produces an equivalent inequality.

If a, b , and c are real numbers, then the following are true:

Addition Property of Inequality: If $a > b$,

then $a + c > b + c$; If $a < b$, then $a + c < b + c$.

Subtraction Property of Inequality: If $a > b$,

then $a - c > b - c$; If $a < b$, then $a - c < b - c$.

Note that similar statements hold true for $\geq$ and $\leq$.

NUMERIC EXAMPLES

Addition Property of Inequality: Since $4 > 2$, then

$4 + 1 > 2 + 1$; since $3 < 5$, then $3 + 6 < 5 + 6$.

Subtraction Property of Inequality: Since $9 > 2$, then

$9 - 1 > 2 - 1$; since $4 < 7$, then $4 - 2 < 7 - 2$.

ALGEBRAIC EXAMPLES

Addition Property of Inequality: If $p - 3 < 11$, then

$p - 3 + 3 < 11 + 3$, or $p < 14$.

Subtraction Property of Inequality: If $x + 9 > 16$, then

$x + 9 - 9 > 16 - 9$, or $x > 7$.

Multiplication & Division Properties

The **Multiplication and Division Properties of Inequality** state that multiplying or dividing each side of an inequality by a positive number makes an equivalent inequality. These properties also state that multiplying or dividing each side of an inequality by a negative number and reversing the direction of the inequality symbol make an equivalent inequality.

Given a, b , and c are real numbers:

Where c is positive:	Where c is negative:
If $a < b$, then $ac < bc$	If $a < b$, then $ac > bc$
If $a > b$, then $ac > bc$	If $a > b$, then $ac < bc$

Note that similar statements hold true for $\geq$ and $\leq$.

NUMERIC EXAMPLES

Multiplication Property of Inequality:

Since $2 < 5$, then $2 \cdot 3 < 5 \cdot 3 = 15$; since $2 < 5$, then

$2 \cdot (-3) > 5 \cdot (-3)$.

Since $6 > 4$, then $6 \cdot 4 > 4 \cdot 4 = 16$; since $6 > 4$, then

$6 \cdot (-4) < 4 \cdot (-4)$.

Division Property of Inequality:

Since $4 < 6$, then $\frac{4}{2} < \frac{6}{2}$; since $4 < 6$, then $\frac{4}{-2} > \frac{6}{-2}$.

Since $9 > 3$, then $\frac{9}{3} > \frac{3}{3}$; since $9 > 3$, then $\frac{9}{-3} < \frac{3}{-3}$.

Algebra Study Guides

Reza Nazari, Ava Ross

Algebra Study Guides:

Algebraic Equations (Speedy Study Guides) Speedy Publishing, 2014-05-04 Algebraic equations are a great tool for rationalizing almost any relationship in the real and unreal worlds The incorporation of algebra allows anyone to relate any one thing to another using a defined and constant standard Any question about the value of an object or idea can be assigned a variable title This variable is inserted into a directed algebraic equation with the goal of ascertaining certain values With algebraic equations it is possible to compare oranges to apples as long as certain constant properties are defined If X is the universe Algebra can help anyone compare the universe to an infinite pool of values with any number of goals in mind

Pre-Algebra Study Guide 2020 - 2021 Reza Nazari, Ava Ross, 2020-03-23 A Perfect book to help you prepare for the Pre Algebra Test Pre Algebra Study Guide is designed by top Algebra instructors and test prep experts to help test takers succeed on the Pre Algebra Test The updated version of this comprehensive Pre Algebra preparation book includes Math lessons extensive exercises sample Pre Algebra questions and quizzes with answers and detailed solutions to help you hone your math skills overcome your exam anxiety boost your confidence and do your best to ace the Pre Algebra exam on test day Upon completion of this perfect Pre Algebra prep book you will have a solid foundation and sufficient practice to ace the Pre Algebra test Not only does this all inclusive prep book offer everything you will ever need to prepare for the Pre Algebra test but it also contains abundant skill building exercises to help you check your exam readiness and identify where you need more practice Pre Algebra Study Guide contains many exciting and unique features to help you prepare for the Pre Algebra test including Content 100% aligned with the 2020 Pre Algebra test Written by Algebra instructors and test experts Complete coverage of all Pre Algebra concepts and topics which you will be tested Step by step guide for all Pre Algebra topics Abundant Math skill building exercises to help test takers approach different question types that might be unfamiliar to them Exercises on different Pre Algebra topics such as integers percent equations polynomials exponents and radicals This Pre Algebra prep book and other Effortless Math Education books are used by thousands of students each year to help them review core content areas brush up in math discover their strengths and weaknesses and achieve their best scores on the Pre Algebra test Recommended by Test Prep Experts Visit www.EffortlessMath.com for Online Math Practice [Eureka Math Algebra II Study Guide](#) Great Minds, 2016-08-15 The team of teachers and mathematicians who created Eureka Math believe that it s not enough for students to know the process for solving a problem they need to know why that process works That s why students who learn math with Eureka can solve real world problems even those they have never encountered before The Study Guides are a companion to the Eureka Math program whether you use it online or in print The guides collect the key components of the curriculum for each grade in a single volume They also unpack the standards in detail so that anyone even non Eureka users can benefit The guides are particularly helpful for teachers or trainers seeking to undertake or lead a meaningful study of the grade level content in a way that highlights the coherence between modules and topics We re here to

make sure you succeed with an ever growing library of resources Take advantage of the full set of Study Guides available for each grade PK 12 or materials at eureka math org such as free implementation and pacing guides material lists parent resources and more

Algebraic Equations (Speedy Study Guides) Speedy Publishing LLC,2015-01-20 Algebra is a complex form a math that has been known to baffle adults and students alike However many adults no longer have to deal with algebra but a lot of middle and high school students do A study guide will help high school students to understand how do algebra They can also use it to practice and to develop their skills in this area of math

CLEP College Algebra Study Guide 2020 - 2021 Reza Nazari,2020-07-02 A Perfect book to help you prepare for the CLEP College Algebra Test CLEP College Algebra Study Guide which reflects the 2020 2021 test guidelines is designed by top College Algebra instructors and test prep experts to help test takers succeed on the CLEP College Algebra Test The updated version of this comprehensive CLEP College Algebra preparation book includes Math lessons extensive exercises sample College Algebra questions and quizzes with answers and detailed solutions to help you hone your math skills overcome your exam anxiety boost your confidence and do your best to ace the CLEP College Algebra exam on test day Upon completion of this perfect CLEP College Algebra prep book you will have a solid foundation and sufficient practice to ace the CLEP College Algebra test Not only does this all inclusive prep book offer everything you will ever need to prepare for the CLEP College Algebra test but it also contains two complete and realistic CLEP College Algebra tests that reflect the format and question types on the CLEP College Algebra to help you check your exam readiness and identify where you need more practice CLEP College Algebra Study Guide contains many exciting and unique features to help you prepare for the CLEP College Algebra test including Content 100% aligned with the 2020 CLEP College Algebra test Written by CLEP College Algebra instructors and test experts Complete coverage of all CLEP College Algebra concepts and topics which you will be tested Step by step guide for all CLEP College Algebra topics Abundant Math skill building exercises to help test takers approach different question types that might be unfamiliar to them Exercises on different College Algebra topics such as integers percent equations polynomials exponents and radicals 2 full length practice tests featuring new question types with detailed answers This CLEP College Algebra prep book and other Effortless Math Education books are used by thousands of students each year to help them review core content areas brush up in math discover their strengths and weaknesses and achieve their best scores on the CLEP College Algebra test Ideal for self study and classroom usage Visit www.EffortlessMath.com for Online Math Practice

ACT Math Study Guide Reza Nazari,2021-04-28 Are you preparing for your ACT Math test Do you want to give yourself the best possible chance of succeeding Are you looking for assistance from a study guide designed by a top ACT Math expert Succeeding on any test means study and lots of it Poring over books for hours every day is one way of achieving your goals but there are other things that can assist you such as the ACT Math Study Guide which reflects the 2021 test guidelines and is a great tool for helping students to attain outstanding results With this ACT Math Study Guide you will find

a comprehensive book that is tailored to your exact needs and provides you with extensive assistance with Math lessons Exercises Sample math questions Quizzes with answers Two complete math tests Content 100% aligned with the 2021 ACT test And lots more Written by an ACT Math instructor and test expert and covering everything you will need this is a book that has been designed specifically to help you hone your math skills overcome exam anxiety boost your confidence and do your best to ace the ACT Math on test day So if you want to give yourself the best possible chance of success scroll up click Add to Cart and get your copy now Ideal for self study and classroom usage *ACT Math Study Guide 2020 - 2021* Reza Nazari, A Perfect book to help you prepare for the ACT Math Test Successfully Used by Thousands of ACT Test Takers ACT Math Study Guide which reflects the 2020 2021 test guidelines is designed by top ACT Math instructors and test prep experts to help test takers succeed on the ACT Math Test The updated version of this comprehensive ACT Math preparation book includes Math lessons extensive exercises sample ACT Math questions and quizzes with answers and detailed solutions to help you hone your math skills overcome your exam anxiety boost your confidence and do your best to ace the ACT exam on test day Upon completion of this perfect ACT Math prep book you will have a solid foundation and sufficient practice to ace the ACT Math test Not only does this all inclusive prep book offer everything you will ever need to prepare for the ACT Math test but it also contains two complete and realistic ACT Math tests that reflect the format and question types on the ACT to help you check your exam readiness and identify where you need more practice ACT Math Study Guide contains many exciting and unique features to help you prepare for the ACT Math test including Content 100% aligned with the 2020 ACT test Written by ACT Math instructors and test experts Complete coverage of all ACT Math concepts and topics which you will be tested Step by step guide for all ACT Math topics Abundant Math skill building exercises to help test takers approach different question types that might be unfamiliar to them Exercises on different ACT Math topics such as integers percent equations polynomials exponents and radicals 2 full length practice tests featuring new question types with detailed answers This ACT Math prep book and other Effortless Math Education books are used by thousands of students each year to help them review core content areas brush up in math discover their strengths and weaknesses and achieve their best scores on the ACT test Recommended by Test Prep Experts Visit www.EffortlessMath.com for Online Math Practice **Accuplacer Math Study Guide 2020 - 2021** Reza Nazari, A Perfect book to help you prepare for the Accuplacer Math Test Successfully Used by Thousands of Accuplacer Test Takers Accuplacer Math Study Guide which reflects the 2020 2021 test guidelines is designed by top Accuplacer Math instructors and test prep experts to help test takers succeed on the Accuplacer Math Test The updated version of this comprehensive Accuplacer Math preparation book includes Math lessons extensive exercises sample Accuplacer Math questions and quizzes with answers and detailed solutions to help you hone your math skills overcome your exam anxiety boost your confidence and do your best to ace the Accuplacer exam on test day Upon completion of this perfect Accuplacer Math prep book you will have a solid foundation and sufficient practice to ace the

Accuplacer Math test Not only does this all inclusive prep book offer everything you will ever need to prepare for the Accuplacer Math test but it also contains two complete and realistic Accuplacer Math tests that reflect the format and question types on the Accuplacer to help you check your exam readiness and identify where you need more practice

Accuplacer Math Study Guide contains many exciting and unique features to help you prepare for the Accuplacer Math test including Content 100% aligned with the 2020 Accuplacer test Written by Accuplacer Math instructors and test experts Complete coverage of all Accuplacer Math concepts and topics which you will be tested Step by step guide for all Accuplacer Math topics Abundant Math skill building exercises to help test takers approach different question types that might be unfamiliar to them Exercises on different Accuplacer Math topics such as integers percent equations polynomials exponents and radicals 2 full length practice tests featuring new question types with detailed answers This Accuplacer Math prep book and other Effortless Math Education books are used by thousands of students each year to help them review core content areas brush up in math discover their strengths and weaknesses and achieve their best scores on the Accuplacer test Recommended by Test Prep Experts Visit www.EffortlessMath.com for Online Math Practice

Algebra For Kids (Speedy Study Guide) Speedy Publishing, 2014-12-28 Most kids hate math because they feel like they don't understand it but a kids algebra study guide helps to introduce new mathematical concepts in an easy to understand way and keeps learning the higher maths from being an intimidating experience A study guide helps build kids experience and confidence with important basic math concepts like solving for variables and working the quadratic equation A study guide can give kids an advantage at school and help them excel in math

[PSAT Math Study Guide](#) Reza Nazari, 2021-04-28 Are you preparing for your PSAT Math test Do you want to give yourself the best possible chance of succeeding Are you looking for assistance from a study guide designed by a top PSAT Math expert Succeeding on any test means study and lots of it Poring over books for hours every day is one way of achieving your goals but there are other things that can assist you such as the PSAT Math Study Guide which reflects the 2021 test guidelines and is a great tool for helping students to attain outstanding results With this PSAT Math Study Guide you will find a comprehensive book that is tailored to your exact needs and provides you with extensive assistance with Math lessons Exercises Sample math questions Quizzes with answers Two complete math tests Content 100% aligned with the 2021 PSAT test And lots more Written by a PSAT Math instructor and test expert and covering everything you will need this is a book that has been designed specifically to help you hone your math skills overcome exam anxiety boost your confidence and do your best to ace the PSAT Math on test day So if you want to give yourself the best possible chance of success scroll up click Add to Cart and get your copy now Ideal for self study and classroom usage

Algebra Part 2 (Speedy Study Guides) Speedy Publishing, 2014-06-17 Not everyone has a knack for Mathematics and several people simply give up when the teacher begins adding letters into the equations However there are actually some solid uses for Algebra 2 other than keeping headache medicine manufacturers in business Building on the

ideas and core concepts learned in basic Algebra the intermediate Algebra 2 introduces abstract thinking Students learn how to identify likenesses and evaluate equations based on their characteristics This information is useful for higher mathematical pursuits and is also helpful for general life The analytic approach to problem solving is essential in both employment situations and personal relationships

Algebra Study Guides Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Algebra Study Guides free PDF files is Open Library. With its vast collection of

over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Algebra Study Guides free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Algebra Study Guides free PDF files is convenient, it's important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading Algebra Study Guides. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether it's classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Algebra Study Guides any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Algebra Study Guides Books

1. Where can I buy Algebra Study Guides books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback:

- Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Algebra Study Guides book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
 4. How do I take care of Algebra Study Guides books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
 5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
 6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
 7. What are Algebra Study Guides audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
 8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
 9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
 10. Can I read Algebra Study Guides books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
