Our Darlings, 1894 **The Complete Works of William Shakespeare** William Shakespeare, 2007 William Shakespeare 1564 1616 excels in plot poetry and wit and his talent encompasses the tragedies of Hamlet King Lear Othello and Macbeth as well as history plays and the comedies such as A Midsummer Night's Dream and As You Like It This volume presents his plays in the chronological order in which they were written *The Works of Beaumont and Fletcher: The maid's tragedy; Philaster; A king and no king; The scornful lady; Custom of the country; The elder brother; The Spanish curate; Wit without money; The beggars' bush; The humurous* Francis Beaumont, 1866 **The Works of Beaumont and Fletcher with an Introduction by George Darley** Francis Beaumont, 1840 The Diary of Antera Duke, an Eighteenth-Century African Slave Trader Stephen D. Behrendt, A.J.H. Latham, David Northrup, 2010-03-08 In his diary Antera Duke ca 1735 ca 1809 wrote the only surviving eyewitness account of the slave trade by an African merchant A leader in late eighteenth century Old Calabar a cluster of Efik speaking communities in the Cross River region he resided in Duke Town forty five miles from the Atlantic Ocean in what is now southeast Nigeria His diary written in trade English from 1785 to

1788 is a candid account of daily life in an African community at the height of Calabar's overseas commerce. It provides valuable information on Old Calabar's economic activity both with other African businessmen and with European ship captains who arrived to trade for slaves, produce and provisions. This new edition of Antera's diary, the first in fifty years, draws on the latest scholarship to place the diary in its historical context. Introductory essays set the stage for the Old Calabar of Antera Duke's lifetime, explore the range of trades from slaves to produce in which he rose to prominence and follow Antera on trading missions across an extensive commercial hinterland. The essays trace the settlement and development of the towns that comprised Old Calabar and survey the community's social and political structure, rivalries among families, sacrifices of slaves and witchcraft ordeals. This edition reproduces Antera's original trade English diary with a translation into standard English on facing pages along with extensive annotation. The *Diary of Antera Duke* furnishes a uniquely valuable source for the history of precolonial Nigeria and the Atlantic slave trade and this new edition enriches our understanding of it.

Once upon a time there were seven good friends. They were the forgotten little brothers and sisters of the Big Chill generation, born in the turbulent year when the flames of Watts lit the City of Angels and napalm kissed the war-torn skies of Vietnam. They called themselves The Underground. For Justin and Mia, Josh and Caroline, Amy, Seth and Simon, there

was nothing but drugs and music combined with boundless cynicism and a deep yearning for something that really mattered As graduation rolled around they knew they would drift apart By Labor Day weekend there was just enough time to throw one last private party But where Creepy old Custis Manor was temporarily uninhabited So they motored out to the moldering southern plantation ready to party the night away They could not have known that on the other side of the mirrors something watched a corrupt voracious force neither fully living nor truly dead It was a soulless spirit of evil that had spent more than two hundred years cultivating its terrible powers It was the Great Night And Custis Manor was its domain In one terrifying night their lives were forever shattered One died One disappeared The survivors were scarred both inside and out For twenty years they couldn't face the truth of what had really happened Until now One has gone back and through the mirror And now the remaining friends are forced to confront the demons of their own pasts and a greater nightmare beyond their comprehension Together they must face the Great Night lay waste to its vicious legacy and free the thousands of souls still trapped there as the reunited Underground meets the Underground Railroad of souls A truly original metaphysical thriller gory and intense satisfying and unique Underground is a startling vision of the nightmare dimension from one of the true masters of the genre
