 the characters I have gone beyond mere stereo typing inorder for the characters to appear quiet real on the page The plot is
 built upon the experiences of the characters and it is the actions of the characters which define the work And there is a
 specific time frame when all these actions occur In keeping with my intent to deal with the themes which define a well
 written novel the characters experience many things over the course of time To describe each and every action which takes
 place in the novel would be too difficult However in keeping with the novel s intent race religion war justice love hate wealth
