ALLAH IS NOT OBLIGED TO BE FAIR ABOUT ALL THE THINGS HE DOES HERE ON EARTH.

There are the words of the boy soldier Boubou in the final scenes given by one of Africa's most celebrated writers, Ahmadou Kourouma. When ten-year-old Boubou's mother dies, he leaves his native village in the Ivory Coast, accompanied by the warrier and uncle Kourouma, to search for his aunt Malou. Crossing the border into Liberia, they are seized by rebels and forced into military service. Boubou is given a Kalashnikov, minimal rations of food, a small supply of drugs, and a tiny wage. Fighting in a chaotic civil war alongside many other boys, Boubou sees death, torture, disease, hunger, and violence but somehow manages to retain his own sanity. Wise and unforgettable, describing you filled with laughter, *Allah Is Not Obligated* reveals the ways in which children's innocence and youth are compromised by war.

"Kourouma writes with brutal and obscene frankness reminiscent of Calisto in this powerfully tragic novel about a West African child soldier."

—*Publishers Weekly* (starred review)

"Shocking and deeply moving. . . . An African Lord of the Flies."

—*The Guardian* (London)

"Fierce, angry, an incredible book. Though it is a work of fiction, in a way it is not. Kourouma brings to life the voice of the child soldier."

The Interpretation of The Meaning of The Holy Quran Volume 7 - Surah Al-Baqarah verse 262 to 286 Nasoha Bin Saabin, I have written many books and articles on various topics but since 2013 I have devoted myself fully in writing the interpretation of the Holy Quran in English and with the grace of Allah I have completed the whole Quran on 29th October 2020 with 84 books I believe there is a great need in the whole world for the correct interpretation of the Holy Quran to be written in English Currently there is a great misunderstanding about Islam among Muslims and non Muslims globally The misunderstanding of the meaning of the Holy Quran among Muslims will lead to the wrong practice of Islam which leads to the wrong actions of Muslims The wrong actions of Muslims will lead to misunderstandings about Islam among Muslims and non Muslims The wrong actions of the Muslims have led to many miseries and wars among Muslims The wrong actions of Muslims have also led to many wars and clashes between Muslims and non Muslims In order to avoid miseries wars and clashes from taking place between the whole mankind in the whole world the whole mankind in the whole world need to understand the true teaching of Islam There is no other way for the whole mankind to understand the true teaching of Islam unless the whole mankind is able to read and understand the correct interpretation of the Holy Quran The whole mankind is only able to read and understand the correct interpretation of the Holy Quran when it is written in the universal language of the world English For this very reason I have written the interpretation of the Holy Quran in English Prof Nasoha Bin Saabin

Mediating Violence from Africa George S. MacLeod, 2023-10 Mediating Violence from Africa explores how African and non African Francophone authors filmmakers editors and scholars have packaged interpreted and filmed the violent histories of post Cold War Francophone Africa This violence much of which unfolded in front of Western television cameras included the use of child soldiers facilitated by the Soviet Union's castoff Kalashnikov rifles the rise of Islamist terrorism in West Africa and the horrific genocide against the Tutsi in Rwanda Through close readings of fictionalized child soldier narratives cinematic representations of Islamist militants genocide survivor testimony and Western scholarship George S MacLeod analyzes the ways Francophone African authors and filmmakers as well as their editors and scholarly critics negotiate the aesthetic

political cultural and ethical implications of making these traumatic stories visible MacLeod argues for the need to periodize these productions within a post Cold War framework to emphasize how shifts in post 1989 political discourse are echoed contested or subverted by contemporary Francophone authors filmmakers and Western scholars The questions raised in Mediating Violence from Africa are of vital importance today How the world engages with and responds to stories of recent violence and loss from Africa has profound implications for the affected communities and individuals More broadly in an era in which stories and images of violence from terror attacks to school shootings to police brutality are disseminated almost instantly and with minimal context these theoretical questions have implications for debates surrounding the ethics of representing trauma the politicization of memory and Africa s place in a global as opposed to a postcolonial or Euro African economic and political landscape

New Perspectives on African Childhood De-Valera NYM Botchway,Awo Sarpong,Charles Quist-Adade,2019-09-05 What does it mean to be a child in Africa In the detached Western media narratives of penury wickedness and death have dominated portrayals of African childhood The hegemonic lens of the West has failed to take into account the intricacies of not only what it means to be an African child in local and culturally specific contexts but also African childhood in general Challenging colonial discourses this edited volume guides the reader through different comprehensions and perspectives of childhood in Africa Using a blend of theory empiricism and history the contributors to this volume offer studies from a range of fields including African literature Afro centric psychology and sociology Importantly in its eclectic geographical coverage of Africa this book unashamedly presents the good the bad and the ugly of African childhood The resilience creativity pains and triumphs of African childhood are skilfully woven together to present the myriad of lived experiences and aspirations of children from across Africa As an important contribution to African childhood studies this book has the potential to be used by policymakers to shape sustain or change socio cultural economic and education systems that accommodate African childhood dynamics and experiences at different levels
