

FIGURE 1 and **FIGURE 2** are histograms of the distribution of the number of nodes in the network. **FIGURE 1** shows the distribution of the number of nodes in the network for the case of the network with 100 nodes. **FIGURE 2** shows the distribution of the number of nodes in the network for the case of the network with 200 nodes. The distribution of the number of nodes in the network is highly skewed, with a large number of nodes having a small number of connections and a small number of nodes having a large number of connections.

10

Figure 1. The effect of the number of trials on the number of correct responses.

1000

100

10000 The ratio polynomial of degree one and degree two. **10001** Determine the quotient of a polynomial of degree one and polynomial of degree two which divided by a polynomial of degree one and polynomial of degree two when the degree of the dividend is less than the degree of the divisor. **10002** The polynomial representation of the function of the distribution of the function.
