

Captured by ALIENS?

**A History and Analysis of
American Abduction Claims**

The background of the book cover is a digital illustration. It depicts a dark, saucer-shaped UFO hovering in a twilight sky, with a bright blue and white light emanating from its center. Several vertical beams of light project from the UFO down to a small, dark silhouette of a person standing on a desolate, hilly landscape. The overall color palette is dominated by deep blues, purples, and oranges from the sunset or sunrise sky.
