A Listening Community Aquinata Böckmann, 2015 This new book by Sister Aquinata Böckmann discusses the Prologue and chapters 1 2 and 3 of the Rule of St Benedict In a lectio regulae she plumbs the depths of Benedict's vision Listen the first word of the Prologue is a keyword that describes the main stance of the individual monastic the superior and the entire community Listening to the Scriptures and in them to Christ guides individuals and the community on how to run on the way of God's commandments toward the goal of communal life in and with Christ The first three chapters of the Rule concretize the principles of this communal spirituality of listening the importance of a rule and a pastor for maintaining the community's attentiveness to life the superior's responsibility to listen to individuals within the community and the mutual listening between leader and community members regardless of their age As in her earlier books Sister Aquinata proves to be a true guide into the spirit of Benedict's Rule which provides sound principles for listening in common in a community of life

Hastening Redemption Arie Morgenstern, 2006-06-22 Accounts of the history of Zionism usually trace its origins to the late nineteenth century In this groundbreaking book Arie Morgenstern argues that its roots go back even further Morgenstern argues compellingly that the Jewish community in Israel may be traced back to a large scale wave of immigration during the first half of the nineteenth century Inspired by an expectation for the coming of the Messiah in the year 1840 thousands of Jews from throughout the Ottoman Empire North Africa and Eastern Europe relocated to Jerusalem Morgenstern describes the messianic awakening in all these lands but focuses primarily on the concept of redemption through messianic activism that prevailed among the disciples of Rabbi Elijah the Gaon of Vilna These immigrants believed that the Messiah's arrival would bring about the redemption of the Jews but

also that in order for this redemption to come about they needed to prepare the way for the Messiah by fulfilling the commandment to dwell in the land of Israel Morgenstern offers a dramatic account of their relocation their efforts to renew rabbinic ordination their reestablishment of the Ashkenazi community and the building of Jerusalem He also explores the crisis of faith that followed the Messiah's failure to appear as expected and its effects on the community Drawing on a wealth of previously untapped sources Morgenstern sheds important new light on the history of messianic Judaism and on the ideological trends that preceded and eventually gave birth to modern political Zionism The Aramaic Covenants RavYaakov BarYosef,2015-05-24 The Aramaic Covenants and Tanach In Three Volumes The goal of this work is to provide a modern and accurate English translation of the Chumash Mikra prophets and Writings and the Apostolic Writings The text of this edition of the Aramaic Covenants is a paraphrased translation in idiomatic language This work is a new edition from translations of the Ancient Aramaic For example this new edition uses the name of MarYah Eashoa Msheekha Lord G d Yeshua Messiah It also uses the word ALLAHA for ELI G d YHVH 1 and it introduces the Aramaic rendering of Maran as Lord Along with other Ancient Galilean Aramaic renderings Due weight was given to the ancient versions as establishing a tradition of interpretation Out of the four levels of interpretation Parshat Remez D rash and Sod the Parshat method was employed as was Onkelos method of interpretation of the Torah **Mathematics across the Iron Curtain** Christopher Hollings,2014-07-16 The theory of semigroups is a relatively young branch of mathematics with most of the major results having appeared after the Second World War This book describes the evolution of algebraic semigroup theory from its earliest origins to the establishment of a full fledged theory Semigroup theory might be termed Cold War mathematics because of the time during which it developed There were thriving schools on both sides of the Iron Curtain although the two sides were not always able to communicate with each other or even gain access to the other's publications A major theme of this book is the comparison of the approaches to the subject of mathematicians in East and West and the study of the extent to which contact between the two sides was possible *Justice in Love* Nicholas Wolterstorff,2015-05-15 **The Oneness and Simplicity of God** Barry D. Smith,2013-11-13 That YHWH is numerically one is foundational to the theology of the Hebrew Bible Christian theologians historically have affirmed that there is a more fundamental type of oneness attributable to God God is one not merely in the sense of being the only God but also in the sense of being simple or non composite having no parts of any kind In this way God is said to be an absolute unity After a consideration of all the evidence Barry D Smith reaches the conclusion that there is no basis for ascribing simplicity to God The simplicity doctrine is not found in Scripture and the traditional arguments used to establish it are unconvincing In addition the recent defenses of the simplicity doctrine prompted by Alvin Plantinga's work Does God Have a Nature are unsuccessful It should not be thought however that the rejection of divine simplicity means that by default God must be conceived as composite not even as a perfect composite with maximally great God making properties Rather there is a third option God should not be conceived as either simple or

composite The question of in which mode God has attributes or exemplifies properties should be set aside **Imatation of the Sacred Heart of Jesus** Peter Joseph Arnoudt, Aeterna Press, THE most ancient special devotion of Christians is doubtless that of the Sacred Heart of Jesus the Son of God The holy Sacraments and the other objects of devotion did not yet exist when the Blessed Virgin Mary found her delight in worshipping the most Sweet Heart of her Jesus already did Holy Joseph clasp that Heart to his bosom even then were the Shepherds and the Magi Simeon and Anna the Apostles and the Disciples attracted to It and by It they longed to show to It the affection and love of their hearts But after Jesus had called upon all men to learn that He is meek and humble of Heart after He had drawn from the treasury of His Heart that best of all gifts the Sacrament of the Most Blessed Eucharist lastly after He had willed that upon the Cross His Heart should be opened and continue open as a place of refuge for all then was devotion to His Divine Heart wonderfully increased Aeterna Press

The Wrong Man Hamish Clarke, 2014-12-19 A very ordinary man wakes up in an African police cell He has no idea how he got there nor why he s there He s tortured for information about which he has no idea and then he s threatened with execution When British Consular staff ignore his pleas for help because of a trade deal he realizes that the only person who is going to help him is himself It s towards the end of the 1980s and all this is happening in the middle of a very unstable Zaire that is about to descend into civil war He knows that to survive he must escape This he does but only by killing some of his guards in the process He on foot in the middle of nowhere and everyone wants him dead and now he must find out why he s Zaire s Public Enemy No1 if he wants to clear his name and return to a normal life
