Anatomy Trains Store In New Jersey:

The Anatomy of Work Georges Friedmann, 1992-01-01 The consequences of narrow work specialization are critical not only for workers and employers but for civilization as a whole In The Anatomy of Work George Friedmann elucidates the large and small questions raised by this evolutionary moment in human labor and development Donald C King s introduction to this new edition discusses the impact of Friedmann s work on later researchers and assesses its relative strengths and weaknesses in forecasting future trends particularly in regard to automation This is pioneering study on how work is organic to human identity

Lasting City: The Anatomy of Nostalgia James McCourt, 2013-10-21 A Kirkus Reviews Best Book of 2013 A profoundly American work with distinct echoes of Samuel Beckett Lasting City hypnotizes with its symphonic lyricism Enjoined by his dying mother to tell everything James McCourt was liberated by this deathbed wish to do just that The result is Lasting City a gripping uniquely McCourt invention an operatic recollection that braids a nostalgic portrait of old Irish New York with a boy s funny gutter snipe precocity and hardly innocent coming of age in the 1940s and 50s A literary outlaw in the poetic tradition of Verlaine and Baudelaire McCourt tells his own story his mother s his family s and that of a lost New York the lasting city While ostensibly an account of the author s first seven years Lasting City expands into a philosophical exploration of memory perhaps as daring a statement on perception as anything since Faulkner a kaleidoscopic unraveling of time Mating fact with fantasy or fantasy with fact McCourt takes us from his deeply moving bedside account of his mother Catherine s death to its traumatic aftermaths both real and imagined which are as McCourt tells it equally real He revisits the fantasy city of his youth sometimes in soliloquy as well as in the plaintive threnody of an older man who recounts his tales of woe to a Hindu cabdriver named Pramit Banarjee on Broadway only hours after leaving his mother s bedside By celebrating our powerlessness over memory he explores the darkly intense Irish American family romance and the love hate relationship between an unusually bright boy and his eternally wise mother who harbored an excruciating guilty secret With Joycean panache McCourt then takes us to the wake where his aunts recall their sister as if they are the Fates he has a late night dialogue with a former showgirl turned hash slinging waitress and he then anticipates his own death with the some of the most lyrical cadences in recent literature wondering whether his ashes will be scattered on the waters of that little rivulet emerging from Central Park s Ramble where in his grandfather s day real Venetian gondoliers imported from Venice plied their trade Reflecting McCourt s belief that the perfectly diagrammed sentence has become the secret weapon of nice people Lasting City written as much for the ear as the reading eye unfolds in multiple voices that are at times like theater and at times the reverie of a mind lost in memory It is a heartfelt aria to a lost time and to an eternal city
