SAS 1

Which of the following improves attitudes toward aging and older adults?*

Staying away from older

adults. **Education about**

older adults Travelling to

older communities

Watching the portrayals of older adults in movies and on TV

What is the rationale?*

Geriatric nurses are educated to understand and treat the often complex physical and mental health needs of older people. They try to help their patients protect their health and cope with changes in their mental and physical abilities, so older people can stay independent and active as long as possible.

What best describes nurses as a care provider?*

Determine client's need

Provide direct nursing care

Help client recognize and cope with stressful psychological

situation Works in combined effort with all those involved in

patient's care

What is the rationale?*

Therefore, the best description of a care provider is the accurate and prompt determination of the client's need to be able to render an appropriate nursing care.
