 know about an airline – an aviation business handbook* Robin Andrae, Arne Semken ,2021-04-21 The intention of the book is
 grounded on the unbroken enthusiasm for airlines and the entire travel and transportation industry as well as our interest in
 writing a compact handbook with basic knowledge about airlines from the perspective of two consultants Especially at the
 beginning of our career in the consulting industry we realized that this basic knowledge about airlines is hidden in countless
 textbooks websites and experiences of experts and that a compact handbook would certainly be beneficial From this thought
 the idea was born to provide graduates people interested in airlines airline newcomers and airline experts a book which
 makes the entry into the airline industry more enjoyable and easier We hope that our book will give you interesting insights
 into this exciting industry and that it will inspire and stimulate you especially with the organizational and theoretical models
 which undoubtedly originate from our core competence as consultants We hope you enjoy reading this book and wish you
 many valuable findings Your Robin Andrae and Arne Semken *Official Journal of the European Communities* ,1994
