All Hallows Eve The Purger :

The Halloween Store and Other Tales of All Hallows' Eve Ronald Kelly, 2020-09-25 When you first enter The Halloween Store things seem normal Fun and frightful decorations ghastly costumes and masks of the season and bags of candy galore Then as you travel farther into its shadowy depths things begin to change The air smells of damp autumn leaves and candle scorched pumpkin The shelves of All Hallows Eve fare grow darker and more disturbing Strange and unsettling things of Halloween's past and present lurk amid the cobwebs and dust Four trick or treaters purchase vintage costumes from a strip mall shop only to discover that they must sign a mysterious disclaimer for the Halloween celebration to come After a man's missing daughter is found near death and physically altered he must once again face a horrifying monster from his own childhood A teenage girl hitches a ride after a Halloween rock roll concert only to learn that her favorite singing idol has made a pact with the Devil himself Three kids receive unusual treats during a Halloween stop at their favorite teacher's house During a random visit to his hometown a businessman treats a young boy to the joy and excitement of a Halloween festival only to find that things are not what they first appeared to be A rash of ghoulish jack o lanterns leads a small town sheriff to the doorstep of one of the most notorious serial killers of all time An advertisement in the back of an old comic book prompts two friends to place an order that they soon come to regret Seven horrific tales and two nostalgic essays hand picked for your Trick or Treat bag With the arrival of a 2020 Halloween there is no telling what terrifying treats and petrifying prizes may await you

Christmas Nathaniel Parry, 2022-10-31 In some respects the contrasts of Christmas are what make it the most delightful time of the year It is a time of generosity kindness and peace on earth with broad permission to indulge in food drink and gifts On the other hand Christmas has become a battleground for raging culture wars marred by debates about how it should be celebrated and acknowledged as a uniquely Christian holiday This text argues that much of the animosity is based on a fundamental misunderstanding of the holiday's core character By tracing Christmas's origins as a pagan celebration of the winter solstice and its development in Europe's Christianization this history explains that the true reason for the season has as much to do with the earth's movement around the sun as with the birth of Christ Chapters chronicle how Christmas's magic and misrule link to the nativity and why the carnival side of the holiday appears so separated from traditional Christian beliefs **Deadwood and Grimes**
