Words to Live By T.R. Robinson, 2023-05-22 The importance of words cannot be overstated In our earthly realm a business leader politician or coach can speak or write words of encouragement that result in people achieving more and reaching heights previously thought unattainable The opposite can also occur when charismatic leaders influence their followers to commit atrocities The critical importance of the word is never more illustrated when you consider that God spoke the word and the universe came into being Think about the apostles when they realized that Jesus s life represented a fulfillment of prophecy The word became flesh and dwelt among us *Words to Live By* is more than an inspirational book In fact *Words to Live By* is a guide to help you seek out compile and live life according to a set of words you can be proud of A set of words which encourages hope A set of words which leaves a legacy of a life others can follow with a can do mentality It is my hope that this book will serve as the catalyst for you the reader to create a life lived on purpose following God s will To define your meaning of success and achievement based upon the relationships you nurture with others To become an overcomer and never give up when faced with the inevitable hurdles obstacles and disappointments we all experience in life Perfect for teaching positive values in your classroom Sunday School class or book group

Opportunity A. Posner, 2018-03-26 When life gives us lemons we must learn to make lemonade Like lemonade opportunity can be bitter or sweet It s what we do with it that counts With hard work and determination we can learn to make lemon icing But society still bakes the cake Only when there is a mutual acceptance and equal OPPORTUNITY can our sweet icing become an integral part of the ENRICHED CAKE OF LIFE for all of society to enjoy
