Electrical Engineering for Non-Electrical Engineers S. Bobby Rauf, 2021-12-15 Engineers and non engineers often eschew electrical engineering because it is premised on concepts and mathematical techniques that are somewhat more abstract and elusive than those employed in disciplines like civil mechanical and industrial engineering Yet because of the ubiquitous nature of electrical and electronic equipment and devices and the indispensable role electricity plays in various facets of lives a basic understanding of electrical engineering is essential Engineers and non engineers find themselves

interfacing with electrical apparatus and dealing with matters that permeate into the electrical realm Therein lies the purpose and objective of this book This edition includes numerous updated pictures diagrams tables charts graphs and improved explanation of certain concepts Electrical Engineering for Non-Electrical Engineers, Second Edition S. Bobby Rauf,2021-01-07 This book is designed to serve as a resource for exploring and understanding basic electrical engineering concepts principles analytical and mathematical strategies that will aid the reader in progressing their electrical engineering knowledge to intermediate or advanced levels The study of electrical engineering concepts principles and analysis techniques is made relatively easy for the reader by inclusion of most of the reference data in form of excerpts from different parts of the book within the discussion of each case study exercise and self assessment problem solution This is done in an effort to facilitate quick study and comprehension of the material without repetitive search for reference data in other parts of the book To this new edition the author has introduced a new chapter on batteries where the basic yet important facets of the battery and its sustainable and safe operation is covered The reader will be shown the not so obvious charging and discharging performance characteristics of batteries that can be determining factors in the selection application and optimal performance of batteries *January 2024 - Surplus Record Machinery & Equipment* Tom Scanlan, SURPLUS RECORD is the leading independent business directory of new and used capital equipment machine tools machinery and industrial equipment listing over 110 000 industrial assets since 1924 including metalworking and fabricating machine tools lathes cnc equipment machine centers woodworking equipment food equipment chemical and process equipment cranes air compressors pumps motors circuit breakers generators transformers turbines and more Over 1 100 businesses list with the SURPLUS RECORD November 2023 issue Vol 101 No 1 *Design News* ,2005 **January 2023 - Surplus Record Machinery & Equipment Directory** Thomas C.
