Aia New York City Guide:

AIA Guide to New York City Norval White, Elliot Willensky, Fran Leadon, 2010-06-14 Hailed as extraordinarily learned New York Times blithe in spirit and unerring in vision New York Magazine and the definitive record of New York's architectural heritage Municipal Art Society Norval White and Elliot Willensky's book is an essential reference for everyone with an interest in architecture and those who simply want to know more about New York City First published in 1968 the AIA Guide to New York City has long been the definitive guide to the city's architecture Moving through all five boroughs neighborhood by neighborhood it offers the most complete overview of New York's significant places past and present The Fifth Edition continues to include places of historical importance including extensive coverage of the World Trade Center site while also taking full account of the construction boom of the past 10 years a boom that has given rise to an unprecedented number of new buildings by such architects as Frank Gehry Norman Foster and Renzo Piano All of the buildings included in the Fourth Edition have been revisited and re photographed and much of the commentary has been re written and coverage of the outer boroughs particularly Brooklyn has been expanded Famed skyscrapers and historic landmarks are detailed but so too are firehouses parks churches parking garages monuments and bridges Boasting more than 3000 new photographs 100 enhanced maps and thousands of short and spirited entries the guide is arranged geographically by borough with each borough divided into sectors and then into neighborhood Extensive commentaries describe the character of the divisions Knowledgeable playful and beautifully illustrated here is the ultimate guided tour of New York's architectural treasures Acclaim for earlier editions of the AIA Guide to New York City An extraordinarily learned personable exegesis of our metropolis No other American or for that matter world city can boast so definitive a one volume guide to its built environment Philip Lopate New York Times Blithe in spirit and unerring in vision New York Magazine A definitive record of New York's architectural heritage witty and helpful pocketful which serves as arbiter of architects Baedeker for boulevardiers catalog for the curious primer for preservationists and sourcebook to students For all who seek to know of New York it is here No home should be without a copy Municipal Art Society There are two reasons the guide has entered the pantheon of New York books One is its encyclopedic nature and the other is its inimitable style smart vivid funny and opinionated as the architectural historian Christopher Gray once summed it up in pithy W W fashion Constance Rosenblum New York Times A book for architectural gourmands and gastronomic gourmets The Village Voice

Architectural Guidebook to New York City Francis Morrone, 2009-09 21 95 paperback 1 58685 113 6 August 6 x 8 in 432 pp Black White Photographs Rights W Architecturev Francis Morrone has returned to the buildings of his original guidebook once again to detail additions and changes in name and usage and the book has been modified to reflect post September 11th New York City With its thoughtful detail and out of the ordinary observations this guidebook is a must have for New Yorkers tourists and architectural lovers everywhere Francis Morrone is a lecturer and tour leader for the Municipal Art Society of New York

a nonprofit civic organization founded in 1893 His writings on architecture and New York history appear in The New Criterion the City Journal and other publications His other books include An Architectural Guidebook to Brooklyn and An Architectural Guidebook to Philadelphia He lives in Brooklyn James Iska whose work has been exhibited all over the world and has appeared in the Washington Post the Financial Times the Chicago Sun Times and the Chicago Tribune is currently on the staff of the Art Institute of Chicago *The Rough Guide to New York City: Travel Guide eBook* Rough Guides,2024-03-01 This New York City guidebook is perfect for independent travellers planning a longer trip It features all of the must see sights and a wide range of off the beaten track places It also provides detailed practical information on preparing for a trip and what to do on the ground And this New York City travel guidebook is printed on paper from responsible sources and verified to meet the FSC s strict environmental and social standards This New York City guidebook covers the Harbor Islands the Financial District Tribeca Soho Chinatown Little Italy Nolita Lower East Side the East Village the West Village Chelsea the Meatpacking District Union Square Gramercy Park the Flatiron District Midtown East Midtown West Central Park the Upper East Side the Upper West Side Morningside Heights Harlem north Manhattan Brooklyn Queens the Bronx Staten Island Inside this New York City travel book you ll find A wide range of sights Rough Guides experts have hand picked places for travellers with different needs and desires off the beaten track adventures family activities or chilled out breaks Itinerary examples created for different time frames or types of trip Practical information how to get to New York City all about public transport food and drink shopping travelling with children sports and outdoor activities tips for travellers with disabilities and more Author picks and things not to miss in New York City Statue of Liberty Empire State Building Metropolitan Museum of Art 9 11 Memorial Museum Baseball Museum of Modern Art Pizza Rockefeller Center Live Jazz Brooklyn Bridge Insider recommendations tips on how to beat the crowds save time and money and find the best local spots When to go to New York City high season low season climate information and festivals Where to go a clear introduction to New York City with key places and a handy overview Extensive coverage of regions places and experiences regional highlights sights and places for different types of travellers with experiences matching different needs Places to eat drink and stay hand picked restaurants cafes bars and hotels Practical info at each site hours of operation websites transit tips charges Colour coded mapping with keys and legends listing sites categorised as highlights eating accommodation shopping drinking and nightlife Background information for connoisseurs history culture art architecture film books religion diversity Fully updated post COVID 19 The guide provides a comprehensive and rich selection of places to see and things to do in New York City as well as great planning tools It s the perfect companion both ahead of your trip and on the ground **New York Magazine** ,1969-03-17 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back

to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea **The Rough Guide to New York City** Martin Dunford, Jack Holland, 2002 Written by New York natives this guide zeros in on Manhattan the city's crown jewel and its world class museums restaurants clubs and hotels and then goes on to the rich and diverse outer boroughs digging up the less obvious charms 34 maps of color maps **The Companion Guide to New York** Michael Leapman, 1999 The perfect guide to this tremendous city OBSERVER Written with unfailing common sense as well as insight and affection the perfect guide to this tremendous city OBSERVER A true traveller's companion and friend SUNDAY TELEGRAPH For more than thirty years Michael Leapman has been intimately involved with New York as a journalist resident or frequent visitor Here he takes readers with him on a series of walks through the heart of Manhattan and beyond explaining how it came to be the world's most fabulous city as well as revealing its present day secrets When the original edition of this incomparable guide was published in 1983 it won the Thomas Cook award as the guide book of the year After he revised it in 1991 it was chosen by New York Magazine as the best of nearly a hundred books about the city Now he has been back to retrace his steps Thoroughly updated this book is packed with inspiration revelation and sound practical advice MICHAEL LEAPMAN lived in New York for seven years as correspondent for The Times reporting perceptively on the city's delights and foibles He continues to visit New York regularly and to write about it for magazines and other newspapers This is a reissue of a book first published in 1983 and last revised in 2000 It therefore includes references to and descriptions of the World Trade Center These have been left in for historical interest **The American Skyscraper, 1850-1940** Joseph J. Korom, 2008 The skyscraper is an American invention that has captured the public's imagination for over a century The tall building is wholly manmade and borne in the minds of those with both slide rules and computers This is the story of the skyscraper's rise and the recognition of those individuals who contributed to its development This volume is unique its approach information and images are fresh and telling The text examines America's first tall buildings the result of twelve years of in depth research by an accomplished and published architect and architectural historian Over 300 compelling photographs charts and notes make this the ultimate tool of reference for this subject Biographies woven throughout with period norms politics and lifestyles help to place featured skyscrapers in context Quite simply there is no book like this The text carefully and insightfully written is clear concise and easily digestible the text being the product of well documented original research written in an informative tone *The American Skyscraper 1850-1940 A Celebration of Height* is a richly documented journey of a fascinating topic and it promises to be a superb addition to libraries schools of architecture students of architecture and lovers of art *AIA New York Chapter Directory and Center for Architecture Handbook*, 2003 *The Encyclopedia of New York City* Kenneth T. Jackson, Lisa Keller, Nancy Flood, 2010-12-01 Covering an exhaustive range of information about the five boroughs the first edition of *The Encyclopedia of New York City* was a success by every measure earning worldwide acclaim and several awards for reference excellence and selling out its first printing before it was

officially published But much has changed since the volume first appeared in 1995 the World Trade Center no longer dominates the skyline a billionaire businessman has become an unlikely three term mayor and urban regeneration Chelsea Piers the High Line DUMBO Williamsburg the South Bronx the Lower East Side has become commonplace To reflect such innovation and change this definitive one volume resource on the city has been completely revised and expanded The revised edition includes 800 new entries that help complete the story of New York from Air Train to E ZPass from September 11 to public order The new material includes broader coverage of subject areas previously underserved as well as new maps and illustrations Virtually all existing entries spanning architecture politics business sports the arts and more have been updated to reflect the impact of the past two decades The more than 5 000 alphabetical entries and 700 illustrations of the second edition of The Encyclopedia of New York City convey the richness and diversity of its subject in great breadth and detail and will continue to serve as an indispensable tool for everyone who has even a passing interest in the American metropolis

New York Magazine ,1992-08-31 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea
