Aliens Greg Roza,2015-07-15 Aliens have haunted the monster movies that have chilled and thrilled rapt audiences for years This fun filled film resource begins with the ancient alien history in art literature and other classic works It covers scary science fiction s most significant writers and how their stories came to influence alien movies for years to come Beginning with the first alien films ever made the book carries readers through the most popular flicks and sequels with informative tidbits about their impact on audiences and the current events that may have in turn been mirrored in the movies

Becoming Alien Sarah Welch-Larson,2021-02-25 The Alien films are perceived to be a fractured franchise each one loosely related to the others They are nonlinear complicated convoluted a collection of genre movies ranging from horror to war to farce But on closer examination the threads that bind together these films are strong and undeniable The series is a model of Catherine Keller s cosmology as a cycle of order out of chaos an illustration of her concept of evil as discreation When viewed through the lens of Keller s Face of the Deep the Alien films resolve into a cohesive whole The series becomes six views of the idea of evil as exploitation its origins and its consequences Each film expands on the concept of evil set forth by its predecessors complicating that conception and retroactively enriching readings of the films that came before

Perfect Organism Andy Kelly,2024-08-29 An unofficial guide to Alien Isolation the greatest scariest horror game ever made There aren t many computer games that can justify an entire book but for superfans Alien Isolation is truly extraordinary and Perfect Organism reveals all there is to know about every aspect of this masterful game Discover the rationale and authenticity of the set design and art direction learn about the alien s unnerving abilities to second guess the players and the importance of its unique height find out more about the importance of the dynamic audio and the use of seventies archive soundbites as well as the darkly beautiful music And

immerse yourself in the technical brilliance of the level design and the user interface before reading about the deleted content and the scenes and features that never made the final cut Alien Isolation is a game of remarkable depth complexity and detail and together with a level by level mission guide this book will answer all of your questions as well as many you haven't yet thought to ask

McLuhan's Galaxies: Science Fiction Film Aesthetics in Light of Marshall McLuhan's Thought Artur Skweres, 2019-01-17 This groundbreaking book uses observations made by Marshall McLuhan to analyze the aesthetics of science fiction films treating them as visual metaphors or probes into the new reality dominated by electronic media it considers the relations between the senses and sensuality in Blade Runner the visually tactile character of the film and the status of replicants as humanity's new clothes it analyzes the mixture of Eastern and Western aesthetics in Star Wars analyzing Darth Vader as a combination of the literate and the tribal mindset it discusses the failure of visual society presented in the Terminator and Alien franchises the rekindling of horror vacui tribalism and the desire to obliterate the past as a result of the simultaneity of the acoustic space finally the book discusses the Matrix trilogy and Avatar as being deeply related in terms of the growing importance of tactility easternization tribalization as well as connectivity and the implosion of human civilization
