Cheri J. Meiners, 2013-09-03: Empower children to recognize their individual worth and develop confidence in themselves, their abilities, and the choices they make. Children learn that they can speak up, expect, and show respect; try new things; and believe in themselves. Confidence-building skills of accepting yourself, asking for what you need, making decisions, solving problems, and communicating are also discussed. Young children will respond to the true-to-life situations and colorful illustrations. Being the Best Me Series: From the author of the popular Learning to Get Along books, come the first two books in this one-of-a-kind character development series. Each book focuses on specific attitude or character traits such as optimism, courage, resilience, imagination, personal power, decision making, and work ethics. Also included are discussion questions, games, activities, and additional information adults can use to reinforce the concepts children are learning. Filled with diversity, these read-aloud books will be welcome in school, home, and childcare settings. **Getting the Love You Want Workbook**

Harville Hendrix, Helen LaKelly Hunt, 2007-11-01: This newly revised and updated companion study guide to the 2019 edition of the New York Times bestseller *Getting the Love You Want*. In 1988, Harville Hendrix, in partnership with his wife Helen LaKelly Hunt, published a terrifically successful relationship guide called *Getting the Love You Want*. The book introduced thousands to their Imago Relationship Therapy, a unique healing process for couples, prospective couples, and parents, and developed into an overnight sensation. For their part, Doctors Hendrix and Hunt managed to aid scores of couples in their plight for more loving, supportive, and deeply satisfying relationships. Now more than a decade later, this companion book picks up where its predecessor left off, delving further into relationship therapy to help transform relationships into lasting sources of love and companionship. The *Getting the Love You Want Workbook* is designed for the hundreds of thousands of couples who have attended Imago workshops since *Getting the Love You Want* hit bookstands, as well as new and curious ones seeking a practical route back to intimacy and passionate friendship. The workbook contains a unique twelve-week course, *The New Couples Study Guide*, designed to help work through the exercises published in Part III of *Getting the Love You Want*. For those of us struggling to maintain our most precious relationships, the *Getting the Love You Want Workbook* helps us grow aware of our individual unconscious agenda while steering us towards a more harmonious link with our loved ones that will satisfy our deepest needs. *Hands-On English Language Learning: Early Years*

New Studies in Deontic Logic R. Hilpinen,2012-12-06 The present volume is a sequel to *Deontic Logic Introductory and Systematic Readings* D Reidel Publishing Company Dordrecht 1971 its purpose is to offer a view of some of the main directions of research in contemporary deontic logic Most of the articles included in *Introductory and Systematic Readings* represent what may be called the standard modal approach to deontic logic in which deontic logic is treated as a branch of modal logic and the normative concepts of obligation permission and prohibition are regarded as analogous to the alethic modalities necessity possibility and impossibility As Simo Knuuttila shows in his contribution to the present volume this approach goes back to late medieval philosophy Several 14th century philosophers observed the analogies between deontic and alethic modalities and discussed the deontic interpretations of various laws of modal logic In contemporary deontic logic the modal approach was revived by G H von Wright's classic paper *Deontic Logic* 1951 Certain analogies between deontic and alethic modalities are obvious and uncontroversial but the standard approach has often been criticized on the ground that it exaggerates the analogies and tends to ignore those features of normative concepts which distinguish them from other modalities
