Brown, 2012 From Hurricane Katrina to the Mississippi River floods of 1927 and 2011 and from a high temperature of 115 degrees Fahrenheit to a low of 19 Mississippi has seen its share of weather extremes In fact Mississippi s rainfall can be described in terms of feast or famine Even during the feast years the rain may come at the wrong time for farmers to plant crops or in unwanted quantities The Pearl River flood of 1979 is an example of too much rain falling over a short period of time with disastrous consequences Mississippi Weather and Climate explores some of the reasons behind these extremes The book begins with a look at the factors that shape Mississippi s climate and then moves into a discussion of normal weather conditions Three chapters take a closer look at some of Mississippi s most dramatic weather Historical events including the Candlestick Park tornado Hurricanes Camille and Katrina and the ice storms of 1994 and 1998 are described in more detail The book details Mississippi s past climate as well as its projected climate and explores what the future may hold for residents of the state Finally the last two chapters reveal how the weather and climate affect people from the way homes were built in Mississippi s early days and the types of plants that thrive or die here to the way weather information is collected and reported in the form of a local TV weather forecast Mississippi Weather and Climate is a fascinating look at the science behind the weather and how natural events affect the people and land in the Magnolia State Career Opportunities in Casinos and Casino Hotels Shelly Field, 2009 Features numerous job profiles in the casino and gaming industry and includes appendixes covering professional organizations schools associations unions and casinos Career profiles include blackjack dealer casino host concierge and hotel publicist **The Playboy Guide to Bachelor Parties** James Oliver Cury, 2003-05-27 Most bachelor parties are flawed in some way boring predictable uncomfortable expensive unstructured The culprit bad planning The Playboy Guide to Bachelor Parties makes a great gift for any man whether he s planning a traditional raunchy boozefest or a more civilized affair of steaks and scotch Learn what usually goes wrong and why the who when and where of invitations how much the night will cost the ins and outs of cigars booze and limousines and last minute bachelor party ideas There are more options than you think Activities range from the PG rated fishing golfing skydiving and whitewater rafting to the R rated strippers and shot glasses Do you know how to toast the groom How to call for a stripper and not get scammed And what to tell your girlfriend the next day Playboy in its 50th year of celebrating bachelorhood knows best Contains complete listings of possible party activities and prices Includes complete city guides for hotspots like Las Vegas New Orleans and Tijuana Explains brothel terms and stripper scams Saves party planners money and hassles Offers a mix and match activity chart and to do checklist Loaded with entertaining trivia quotes toasts and classic Playboy cartoons The Almanac of American Employers 2008 Jack W.
