Question And Answers 2023

"De lo que aconteció a un mancebo que se casó con una mujer muy fuerte y muy brava." - **Correct Answer** □ It is a medieval text in Spain and it is a collection of stories. After a man and a woman get married, the man feels like he has all of the power and feels like the wife cannot serve him just like the animals cannot serve him. He treats the position of the woman as if she was one of the animals as well. She has a reputation of not listening to her husband either. The story is very chauvinistic and it shows the TRADITIONAL gender roles at the time. One of the major themes to take away from this story is that if you cannot show what you want or who you are at the beginning, then you will never be able to show that feeling later in the long run. This was a very pro-feminist period in a very modern perspective. It says hows stupid men accuse women for things that they didn't do or that are not true. It is an argument sticking up for women and is against men, ALL men. Also gives some of the types of women and how men perceive them such as prostitutes versus angels of the house. Brings up the argument of which is worse... A women who sells herself for money or the man who gives his money for sex. Controversial situation and a very critical work.

"Peso Ancestral" - **Correct Answer** □ This work relates to the weight that women are carrying on their shoulders. This weight is known to the reader as an "emotional" weight and the stress of the men that they are
