

A LUXURY SLED WITH COMFORT YOU CAN'T OUTRIDE.

For people who like to travel First Class, Panthera® isn't a class by itself. The standard features on this cruiser set the standard in touring luxury.

With enough gear, touring isn't just a winter sport. Panthera's full-featured sled gives you the ultimate touring sled while this work is still to be done.

Turn the key of the convenient electric starter and mount the creature comforts at your command: handlebar warmers, available flip motor, temperature gauge, oil gauge, gas gauge, low oil warning light, speedometer, tachometer, voltmeter—well, you get the idea—just about every bell and whistle you could ever want.

Electric start, handlebar warmers, tachometer, voltmeter, temperature gauge, oil gauge, gas gauge, low oil warning light, speedometer, tachometer, voltmeter—just about every bell and whistle you could ever want.

All this makes it very easy to keep tabs on another big luxury feature—the liquid-cooled 440 engine that gives Panthera its smooth, free riding power.

Perhaps the most comfortable feature of all, however, is Panthera's ride—a full 7 1/2 inches of progressive rate ABS rear suspension between you and the trails. This is the ride that was voted "coolest" in a recent consumer survey.

Panthera has the creature comforts of the Panthera in suspension with 7 1/2 inches of progressive rate ABS rear suspension between you and the trails.

With this kind of luxury, it's no wonder Panthera has earned a reputation as the Cadillac of the industry.
