Guide To Chicago:

MICHELIN Guide Chicago 2014 Michelin, 2013-11-13 Locals and travelers looking for great places to eat reach for the MICHELIN Guide Chicago 2014 where they'll find meticulously researched objective recommendations to approximately 400 restaurants covering 40 different cuisines. The MICHELIN Guide updated annually pleases all palates and pocketbooks. Recession proof dining options can be found among the Under 25 restaurants and those with the Bib Gourmand designation, a distinction that highlights inspectors' favorites for good food at reasonable prices. Local anonymous professional inspectors use the renowned Michelin food star rating system to create the restaurant selection with its famed Michelin stars indicating culinary excellence. Readers will find a wealth of helpful information on their restaurant choices: time tested Michelin symbols describe such features as cash only, wheelchair accessible, and valet parking establishments. Newer symbols include restaurants offering notable beer, wine, sake, and cocktail lists. The guide's organization makes fast work of deciding where and what to eat: grouping by neighborhood facilitates spur of the moment decision making while multiple user friendly indexes inspire more specific dining choices. Readers can consult an alphabetical list of restaurants as well as lists of starred Bib Gourmand and Under 25 restaurants. Lists also include cuisine by category, cuisine by neighborhood, brunch, and late night dining. As a final step, 18 colorful city and neighborhood maps quickly locate restaurants so diners can find their way. Since only the best make the cut and all establishments are recommended, readers can feel confident in their choices. *AIA Guide to Chicago* Alice Sinkevitch, Laurie McGovern Petersen, 2004 Completely revised and updated *AIA Guide to Chicago* Second Edition is the liveliest and most wide ranging guide ever written about Chicago's architecture. More than a thousand individual buildings are featured along with more than four hundred photos, many taken expressly for this volume and thirty five specially commissioned maps. The book is arranged geographically so that the user, whether Chicago citizen or visitor, can tour each area of the city as conveniently as possible. Building descriptions focus on the illuminating but easily overlooked details that give the behind the scenes, often unexpected story of why a building took the shape it did. And in the best Chicago tradition, this guide does not shy away from opinions where opinions are called for. Completely researched, meticulously written, and more than thorough. **The Rough Guide to Chicago** Rough Guides, 2009-07-01 The Rough Guide to Chicago is the ultimate travel guide with clear maps and detailed coverage of all the best attractions Chicago has to offer.
