

Analyzing Supply and Demand Headlines

For each demand headline you analyze, do the following: 1) Record the headline in the correct row. 2) Draw what will likely happen to the demand curve based on the headline. Will the demand curve shift left, right, or not at all. 3) Explain your graph. Cite and underline the demand shifter (the element of TIPSE) in your explanation. Or explain why the curve did not shift and whether the quantity demanded increased or decreased.

Headline	Demand Curve for	Explanation

Making Sense of DNA Backlogs Mark Nelson, 2010 Defines what a DNA backlog is explains why the demand for DNA testing is increasing and what is being done to reduce and eliminate the backlog *The ^AEconomics of Financial Markets* Hendrik S. Houthakker, Peter J. Williamson, 1996-09-12 This book puts economics to work on the daily problems faced by investors traders speculators and brokers as they wrestle with increasingly complex financial markets Drawing on data direct from the financial behavior of households corporations and governments through to the prices of individual securities the authors show how accessible but rigorous economics can help the players make sense of the hour by hour reality of the way financial markets move Many of the twists and turns that might seem random at first sight are they contend rational and often predictable But inefficiencies do exist and the authors also demonstrate how these can become unique profit opportunities By bringing together information on the daily workings of financial markets with the concepts and tools of economics Houthakker and Williamson have provided a valuable resource for practitioners and students alike
