Anchored In God S Divine Truth:

Anchored in God's Divine Truth Judy Pate,2014-12-23 As the end of time quickly approaches we find more of a need to be prepared and ready This happens when we are Anchored in God s Divine Truth We read in the book of Revelations of the importance of being overcomers and those who have ears to hear God and yet many don t feel they are overcomers and many do not hear God s voice Satan has deceived many in these areas because we have not sought out God s truths for ourselves We rely on fallible man for answers instead of our infallible God He desires us to seek his truths by directly learning from his Word and from an intimacy found in conversational prayer This book is filled with finding God s truths through prayer as truthseekers It brings readers confidence where struggles and doubts prevail Readers discover how to become free in God s truths overcome Satan and his chains of deceptions and share in the final outpouring of the Holy Spirit of Truth

Mindshifts: Rewire Your Reality - A Philosophical and Spiritual Guide to Transforming Your Thought Life

Roger Ball,2025-08-01 The deepest human longings never change for purpose transformation and transcendence Across every culture and era we ve asked the same questions Why do we suffer What makes life meaningful Is there more than this Today s self help industry dresses these ancient yearnings in modern jargon like authentic living life hacks and self actualization but the hunger beneath remains We don t just want better habits we want genuine transformation Not just productivity but meaning and purpose Not superficial self improvement but true deliverance Mindshifts reveals how humanity s greatest insights point beyond themselves to the God who designed us for more Consider how Nietzsche s call to become who you are echoes the divine call to become who we were made to be Ephesians 2 10 The Phoenix s cyclical rebirth whispers of Christ s resurrection Orwell s warning about the happiness trap reflects Jesus teaching that life does not consist in an abundance of possessions Luke 12 15 These patterns are not accidental they are fragments of the truth that God has woven into history not as rivals to His revelation but as signposts pointing back to Him And they all find their fulfillment in the One who declared I AM the truth you ve been chasing John 14 6 *The Complete Works of Richard Sibbes, D.D.* Richard Sibbes,1862

Our Heavenly Father the Immutable Holy God Steven G. Miller,2022-05-19 I have been on a long spiritual journey studying Christian theology Overtime it became abundantly oblivious to me that if the Christian faith is really true it is not being given the weight suggested by what we profess to believe There are aspects of what we profess to believe that are very comforting the Love of God for one There are aspects of Christianity that are hard to understand Hell as another example These two aspects of our faith coexist in the immutable nature of God Neither of these aspects of God s nature can ever be diminished or compromised Since God cannot compromise His intrinsic nature these truths give rise to our need for a all sufficient Savior This book is exploring the wonders of God s salvific work to bring sinners into a right standing with our Heavenly Father *The complete works of Richard Sibbes, ed. with mem. by A.B. Grosart* Richard Sibbs,1862 *Complete Works ...* Richard Sibbes,1862 *The Immutably Holy God the God Who Wants to Be Our*

Heavenly Father Steven G. Miller, 2023-06-16 Over the years it became increasingly clear that if the Christian faith is really true it is not being given the seriousness of what we profess. As an example there are aspects of the Christian faith that are very comforting: the love of God. There are also aspects of the faith that are hard to fully grasp: the immutable holiness of God. These two aspects of God's nature coexist in God's perfect nature, neither of which can ever be diminished or compromised. Therefore, this gives rise to a perceived problem: how can God love sinners and still remain uncompromisingly holy? This book explores the wonders of God's salvific work to bring sinners into a right standing with Himself. In this book, you will find the straightforward answer to the way of salvation, the motivations to live a life that is eternally meaningful, and explore essential doctrines that have been neglected.

The Spiritual Path To Success Corinne Waller, 2025-09-09 Have you ever reflected back on your life and realised that you have been experiencing the same health challenges as your parents did, repeating the same emotional and mental habits or perhaps have developed similar behavioural patterns? You are not alone as life's twists and turns have taken you down a similar path that your parents walked, experiencing marriage and financial issues, work challenges or going through bouts of sickness, illness or disease to leave you with a disability. The strategies contained in the guided meditations enable you to let go of the ancestral habitual patterns to embark upon a new adventure to become the best version of yourself. A new family legacy can set your spirit free to soar to new heights of abundance and prosperity, having new opportunities and resources based on the divine plan for your life that establishes positive beliefs of wealth in all areas of your life and an enriched earthly life for spiritual evolution while assisting in shifting planet Earth to the next dimension.

The Art of Conjecture Clyde Lee Miller, 2021-03-12 Learned ignorance, the recognition that God is beyond us and our knowing capacities, is the theological concept for which Nicholas of Cusa is most famous. Despite God's apparent absence, Nicholas offers original ways to think about God that would unite his presence with his absence. He called these proposals conjectures, *coniecturae*. Conjecture and conjecturing are central to the methodology of Nicholas's philosophical theology and to his thinking about human knowledge. By using concrete examples from the everyday life of his times as symbolic imagery, Nicholas makes what we say about God imaginatively available and theoretically plausible. He called such conjectural symbols *aenigmata*, symbolic or enigmatic conjectures, because they partially clarify and likewise point to an exact truth that is beyond us. Novel and imaginative, Nicholas's conjectural examples break with the traditional medieval Aristotelian examples and provide further evidence of his role as a figure bridging medieval and Renaissance thought. Following his earlier book *Reading Cusanus* (The Catholic University of America Press, 2003), Clyde Lee Miller here examines and comments on the meaning of conjecture in Nicholas of Cusa. *The Art of Conjecture: Nicholas of Cusa on Knowledge* explores what Nicholas meant by conjecture and its import as demonstrated in his treatises and sermons. Beginning with *Nicholas On Conjectures*, Miller analyzes a series of conjectural symbols and proposals across Nicholas's less frequently discussed texts and recently published sermons. This early Renaissance thinker offers an original and ground-breaking way of

YOUR WORD IS TRUTH Edward D. Andrews, 2016-08-21

Now and Forever John E. Thiel, 2023-04-01 Building on the insights of the ressourcement theology of grace this sophisticated theological aesthetics offers a fresh vision of the doctrine of creation through a consideration of the beauty of

time Conventional eschatological accounts of life after death tend to emphasize the discontinuity between earthly life and the hereafter whereas this life is subject to the contingencies of time life after death is characterized by a stolid eternity In contrast to this standard view John E Thiel s *Now and Forever* articulates a Catholic eschatology in which earthly life and heavenly life are seen as gracefully continuous This account offers a reconceptualization of time which Thiel argues is best understood as the sacramental medium of God s grace to creation Thiel s project thus attempts to rescue time from its Platonically negative resonance in the doctrine of creation Rather than viewing time as the ambiance of sinful dissolution Thiel argues for a Christian vision of time s beauty and so explicitly develops an aesthetics that views time as a creaturely reflection of God s own Trinitarian life This thesis proceeds from the assumption that all time is eschatological time and is thus guided by attention to the temporality implicit in the virtue of hope with its orientation toward a fulfilled future that culminates in resurrected life This interpretation of the beauty of eschatological time in its widest expanse presses further the insight of ressourcement theology that grace is everywhere while appreciating how time s graceful beauty manifests itself in the diversity of temporal moments human communities and most fully in the heavenly communion of the saints
