Sports Training Advanced:

Principles and Basics of Advanced Athletic Training Vladimir Issurin, Michael Yessis, Ultimate Athlete Concepts, 2008

Advanced Strength and Conditioning Anthony Turner, Paul Comfort, 2017-10-25 Becoming an effective strength and conditioning practitioner requires the development of a professional skills set and a thorough understanding of the scientific basis of best practice. Aimed at advanced students and beginning practitioners, this book explores the latest scientific evidence and applies it to exercise selection and programming choices across the full range of functional areas in strength and conditioning, from strength and power to speed and agility. With coverage of data analysis and performance feedback, both vital skills for the contemporary strength and conditioning coach, this concise but sophisticated textbook is the perfect bridge from introductory study to effective professional practice. Written by experts with experience in a wide variety of sports, its chapters are enhanced by extensive illustrations and address key topics such as fitness testing and data analysis, developing strength and power, motor skill acquisition and development, strategies for competition, priming, monitoring, training load, fatigue, and recovery. *Advanced Strength and Conditioning: An Evidence-based Approach* is a valuable resource for all advanced students and practitioners of strength and conditioning and fitness training. **Advanced Sports**

Conditioning for Enhanced Performance IDEA Health & Fitness, 2002 [ACSM's Resources for the Personal Trainer](#) American College of Sports Medicine, 2013-03-22 ACSM's Resources for the Personal Trainer provides a broad introduction to the field of personal training, covering both basic science topics and practical application. It was originally designed to help people prepare for the ACSM Personal Training Certification Exam. It continues to serve that function, but the market for it has expanded to practitioners in the field looking for an additional resource, as well as in an academic setting where the book is a core text for personal training programs. *Advance*, 1994 **Instant Notes On: Sports Training** Dr. A.
