Yet all the great leaders we know and admire display one common quality: a high level of emotional intelligence. Some of them may have been just about average when it comes to their IQs, but they all had an extremely high EQ. Think about Dr. Martin Luther King, Princess Diana, Mahatma Gandhi, or Oprah Winfrey. For example, what they all share is the ability to understand instinctively what their followers felt and to have an amazing emotional connection with them. A popular leader is also an efficient leader, and you will need to use your emotional intelligence to become one. This is why *Emotional Intelligence: The Ultimate Guide for Better Understanding Emotional Intelligence and Becoming a Popular Leader* gives you all the information you need to develop your emotional intelligence.
