Value vs. Growth Investing: Which Strategy Wins?

A conceptual illustration of investment growth. A large, leafy tree with a thick trunk is shown growing out of a massive, tall stack of coins. The coins are stacked in a way that forms a solid base for the tree, suggesting that the tree's growth is directly tied to the accumulation of capital. The background is dark and moody, with some blurred light sources on the left, creating a sense of depth and focus on the tree and its foundation.
