Written during the worldwide lockdown, the tunes soon transformed into something more than originally intended. They became an innermost expression of an artist wanting to share a sense of wonder and connection through music with a heart-worn world. Each individual tune was brought to life and developed during late night sittings at the piano. They all began as simple playful improvisations, a key characteristic that will make you want to play them again and again. Whether you're looking for new repertoire or to up your piano playing skills, now it's your turn to try out and enjoy these beautifully crafted piano tunes. What's your reason for playing? Let Roy's Piano Tunes take you there.
