Corinthians (Baker Exegetical Commentary on the New Testament) David E. Garland, 2025-11-11 Find academic sophistication pastoral sensitivity and accessibility in the award winning BECNT series This substantive volume is one of the best evangelical commentaries available on 1 Corinthians This new edition has been updated throughout to account for recent scholarship Paul's First Letter to the Corinthians is one of the most important epistles in the New Testament David Garland's thoughtful commentary engages contemporary scholarship while providing a readable study that will be accessible to students and pastors as well as scholars As with all volumes in the award winning BECNT series this informative balanced commentary features detailed interaction with the Greek text extensive research chapter by chapter exegesis a blend of scholarly depth and readability and an acclaimed user friendly design After considering the context of the letter and the social and cultural setting of Corinth Garland turns to his exegetical work An introduction to each major unit of thought is followed by the author's own translation of the Greek text In the course of his commentary Garland incorporates references to other ancient writings that help explain particular aspects of Paul's meaning or provide information on the social and cultural context [First Corinthians Bible Commentary - a Bible commentary on First Corinthians](#) , This verse by verse commentary on First Corinthians offers a thorough but very understandable commentary on the entirety of Paul's letter to the Corinthians Since the First Corinthians letter touches on a number of different subjects this volume also offers some special studies to more fully explore what the Bible says on additional topics like civil government the role of women in the church spiritual gifts etc If you want to have a better understanding of First Corinthians this commentary will help you Here is a small sample of the text Introduction to First Corinthians 13 Some consider 1 Cor 13 the love chapter of the Bible or a parenthetical description of love but this chapter is actually an integral part of Paul's discussion about spiritual gifts Since the Corinthians were rude jealous and boastful it was necessary for them to go beyond their present pursuit To the apostle the development of the character of the person was superior to the exercise of the gift His contrasts chap 13 are clear gifts

without love vs gifts with love and the permanence of love vs the temporal nature of gifts Gromacki p 159 Stated another way verses 1 3 affirm that spiritual gifts were worthless without love verses 4 7 affirm that love was superior to the gifts and verses 8 13 assert that spiritual gifts were temporal but love abides Although 1 Cor 13 may seem familiar to many this chapter is often one of the most misunderstood parts of the New Testament The Corinthians elevation of spiritual gifts over love is seen in places such as 12 13 25 14 27 33 40 It is also found by contrasting the qualities in 1 Cor 13 with other sections of this epistle For instance love suffers long 13 4 but tongue speakers at Corinth were impatient 14 27 28 Love does not envy 13 4 but the Corinthians envied the gifts of others chapter 12 Love is not puffed up 13 4 but tongue speakers were proud compare 13 1 Love causes people to act in a kind and orderly way but some of the Corinthians behavior was disorderly 14 23 40 Love is not unseemly but the Corinthians were at risk of unseemly behavior in their families 1 Cor 7 36 as well as their Sunday assemblies 1 Cor 11 2 16 17 34 Agape love does not seek its own 13 5 but these Christians were seeking their own see 1 Cor 8 and the discussion about idol meat Love keeps people from rejoicing in evil 13 6 but the Corinthians rejoiced in evil 1 Cor 5 2 6 There were various things that provoked these brethren 13 5 and it seems they were keeping a record of evil 1 Cor 13 5 It was time for the members of this congregation to show some spiritual maturity and demonstrate the type of love that bears all things believes all things hopes in all things and endures all things 1 Cor 13 7

Word Studies in the New Testament Marvin Vincent, 2013-06-19 Marvin Vincent was a 19 century Presbyterian minister and professor of New Testament at Union Theological Seminary in New York City He is best known for his classic Word Studies in the New Testament Vincent opened his Word Studies by remarking New Testament commentaries are so numerous and many of them so good that a new essay requires some explanation The present work is an attempt in a field which so far as I am aware is not covered by any one book though it has been carefully and ably worked by many scholars Taking a position midway between the exegetical commentary and the lexicon and grammar it aims to put the reader of the English Bible nearer to the stand point of the Greek scholar by opening to him the native force of the separate words of the New Testament in their lexical sense their etymology their history their inflection and the peculiarities of their usage by different evangelists and apostles
